

SOME PEOPLE LIKE IT IN THE MIDDLE, THEY HAVE NO SHAME! ALEX, I love your IN THE MIDDLE hit single, I also like "IT" stirred like COFFEE. (SMILE) Things are currently being STIRRED UP in the apple. Well, you can just call it APPLE SAUCE. That GOD father of the STORM that is QUIET, VAUGHN HARPER, is said to have gotten a PINK SLIP from his WBLS radio station. It is rumored that MR. HARPER who is one of the originators of the QUIET STORM RADIO FORMAT, was making an estimated \$250,000 a year. New consultants were brought on the scene and reported that MR. HARPER'S salary must be QUIETED DOWN. Some other piece of gossip that is not QUIET in the apple is that FLOW ANTHONY (GOSSIP COLUMNIST) is on pens and nettles because of the pending law suit WHITNEY HOUSTON has set forth. MS. HOUSTON is said to not BE THE ONE, and got real upset when FLOW printed in the NEW YORK POST that she overdosed on diet pills. In an act of desperation, FLOW broadcast live on radio air apology to WHITNEY for the MISS information. WHITNEY'S attorney came on the radio live directly opposite FLOW and quoted that they were still following through with the law suit. WHITNEY'S STILL GONNA SPANK, SPANK, THAT "FLOWING" BUTT. STEPHANIE MILLS was recently dropped from the MCA RECORD LABEL because of her low selling record sells. I know STEPHANIE is scheduled to appear here in the city, and we should all go to show our support. I would like to mention that we, concert goers, should be more aware about purchasing concert tickets when they don't support our only African American radio station, KCEP 88.1 FM. I can't believe that the recent SWV AND SILK CONCERT was hosted by another VANILLA radio station during our historic BLACK MUSIC MONTH. PEOPLE WAKE UP!! Yes, certain THINGS matter. IT'S ABOUT FAMILY! BLACK RADIO was the first to break the new songs of SILK AND SWV and we should always stand by each other's side. There is POWER IN OUR NUMBERS. Up-and-coming, SADE will be in the LV CITY and KCEP is the HOSTING STATION. YES, we can MAKE THIS ONE!!! CHARLES BARKLEY recently had a look alike double called in for a commercial he was doing. CHARLES was reported as being very surprise to find that his double was unattractive. He was reported as saying to his commercial double. "Does your wife think you look good?" The double returned the question to CHARLES, and CHARLES replied, "No she thinks I look like \$25 million." I DON'T SEE ANYTHING WRONG WITH THAT. DO YOU LADIES? It's funny when some brothers deal with BUBBLE GUM instead of THOSE NUMBER ONE LADIES. I'm talking commodity, and a liability. Well, until I GET BACK IN THE BLACK, remember, LET ME ENTERTAIN YOU!!
