SOLICITATION FOR PROPOSALS FOR SMALL DISADVANTAGED BUSINESS ENTERPRISE (DBE) SUPPORTIVE SERVICES

The State of Nevada Department of Transportation (NDOT) is seeking the services of a professional organization to provide supportive services to disadvantaged business firms interested in working on NDOT projects. We intend to contract for the services for a 12 month period beginning from the date of award. Types of services to be provided for are as follows:

1. Training and technical assistance to otherwise qualified economically and socially disadvantaged business (DBE) for attaining a contracting license.
2. Solicitation and encouragement to economically and socially disadvantaged firms (DBE) to participate in all facets of NDOT contracting activity.
3. Assistance to such firms in obtaining financial assistance, bonding and prequalification.
4. Assistance to those firms in estimating and bidding.
5. Assistance to project management areas including scheduling, safety, labor compliance, etc.
6. Assistance to NDOT personnel in the utilization of disadvantaged business enterprises (DBE) in the major, minor and miscellaneous contracting areas.
7. On-site reviews of Certified DBE firms and applicants for certification in accordance with Title 49, Code of Federal Regulations, Part 23.

To be considered, proposals must contain methodology, experience in similar types of programs, estimate of cost, your firm's affirmative action plan commitments, provisions for maintaining a statewide DBE directory, provisions for certifying DBEs in accordance with 49 CFR Part 23 Amended, specific numerical goals as to the numbers of DBE's licensed and the number of DBE contractors assisted in receiving Federal-aid contracts and/or subcontracts and the present utilization of DBEs and females by your organization.

Monthly reporting procedures containing sufficient statistical data and narrative content to enable NDOT to evaluate both progress and problem areas. For example, the monthly report must contain progress in achieving goals and problem areas encountered in meeting these goals. An itemized cost estimate. The cost breakdown must indicate the number of employees, position classification, race and sex, their salaries, amount of time, office location, working hours, expenses, etc. The proposal shall define the geographic area of coverage and shall specify the northern or southern area of the State. A firm may submit a proposal for each geographic area if it is interested in submitting a Statewide proposal. Proposals may be selected for either the northern area, southern area or statewide depending on the individual merits of the proposal.

All proposals must adhere to the following stipulations:

- A. The contract will be for one year.
- B. The contract amount cannot exceed \$60,000.00, if the contractor elects to provide services in the southern area or \$28,000.00, if the contractor elects to provide services in the northern area of the State. If the contractor elects to provide services for the entire State, a combined contract shall not exceed \$88,000.00.
- C. Geographic area of coverage: Southern area: all of the State of Nevada south of Highway 6. Northern area: all of the State of Nevada north of Highway 6.

D. The non-discrimination provision required by Title VI of the Civil Rights Act of 1964 as set forth in FHWA-1273 and a statement of non-discrimination in employment because of race, color, religion, national origin, sex or handicap.

E. Additional requirements: Each proposal shall explain any funds being received from other Federal, State or private organizations. Such explanation include the following:

1. Purpose of funds;
2. Amount of funds; and
3. Agency from which funds are received.

If it is a Federal contract, provided:

1. Detailed information on scope of work;
2. Cost accounting procedure to prevent duplicate payment for same work.

F. Proposals must be submitted to and received by:

NEVADA DEPARTMENT OF TRANSPORTATION

Contract Compliance
1263 South Stewart Street
Carson City, Nevada 89712

on or before 5:00 p.m. on August 2, 1993

Proposals received at the NDOT Headquarters after the above noted time and date will be considered non-responsive.

In reviewing the proposals, the NDOT will also give consideration to firms which provide similar services to other agencies which may contribute to or enhance this program.

All proposals will be reviewed and evaluated by representative of NDOT and FHWA. The award will be based on merit and not necessarily awarded to the lowest bidder.
