

WHO'S HOUSE IS THIS ANYWAY? Yes, Las Vegas local singing DIVA, DARCUS SPEED, let the GATES BAR-B-Q HOUSE know that GATES IS HER HOUSE! This has become (again) my weekend hang out, along with PATRICIA'S LOUNGE. I have to give it to DARCUS, she gave NATALIE COLE a run for her MO SINGING MONEY. The night was truly entertaining in many forms, but "THAT'S SHOWBIZ!" TEX RICHARDSON AND THE BAND was all of that AGAIN!!! I can't forget the host with the most, my man CAT DADDY with all the jazz from KCEP 88.1 FM. Yes, I have to support my friends because they support me. Also, I want to remind everyone to check out the blues sounds of BOBBY JONES at the Moulin Rouge Hotel & Casino.

Thanks for the nice packet KATHY! Well, I'm in the mood to TALK, TALK TALK about FOLK. I think we should all admit that this is a form of entertainment. WHITEY HOUSTON recently got BOO, BOOED while performing on stage at a Miami, Florida concert hall. Yes, it was reported that MRS. THANG had a serious grand attitude, and replied to an anxious autograph seeker, "Your ticket stub only guarantees you a seat not an autograph." I CAN'T TOUCH THAT! MRS. THANG better WATCH HER SELF because she is attituding with her employers.

Someone else who is said to be attituding is LA and BABY FACE. It is rumored that the two are breaking up because LA stole an estimated half a million dollars from BABY FACE. Speaking of taking something away that is not yours, It is rumored that one of the key broadest for the recording group MINT CONDITION has left his pregnant girlfriend for her best friend. Also, it is said that he propositioned his girlfriend to give the baby to him once she has it. I

GUESS WE CAN RENAME THE GROUP TO "MENTAL CONDITION!"

FoX Television is producing a movie called, HOMEY THE CLOWN, and OF COURSE asked DAYMON WAYANS to star in the movie. DAYMON agreed to do the movie if Fox agreed to drop the law suit against his sister KIM WAYANS. Fox was pressing charges against KIM because she refused to do an IN LIVING COLOR' SKIT.

BOBBY BROWN is being accused of smashing a photographers \$7,000 camera. BOBBY HAD HIS PEOPLE claim that a police smashed the photographers camera because the photographer came on his video set uninvited to take pictures. ROSIE PEREZ AND RUSSELL SIMMONS are rumored as being an ITEM on the New York scene. Well, RUSSELL is known to be with A LOT OF FOLKS! YOU BETTER ASK SOMEBODY!! EDDIE MURPHY has refused to present one time friend ARSENIO HALL with the RICHARD PRYOR AWARD at the up-and-coming SOUL TRAIN

SADE TO PERFORM IN THE ALADDIN'S THEATER FOR THE PERFORMING ARTS

Most people heard of SADE for the first time in 1984 when "Your Love is King" went top ten in the U.K. and Europe. Moody, arresting grown-up soul went with an undeniable innocence in it's lyric, the song touched a chord in the hearts of soul fans and incurable romantics on both sides of the Atlantic. Now, SADE is coming to Las Vegas to perform at the Aladdin's theater for the Performing Arts on July 15th at 8:00 p.m.

SADE'S first album Diamond Life won her the British Phonographic Institute's "Best Album" prize and awarded her a Grammy Award for "Best New Artist". The New York Times' Stephen Holden called Diamond Life "the year's most impressive debut album", and it remains the all-time best selling debut album by a British female singer.

In December 1985 she impressed her fans once again when her second album Promise hit the top of the U.S. charts and as "Sweetest Taboo" reached the "Top Five", SADE played New York's Radio City Music Hall.

In 1988 SADE spent most of her time on the road, playing to packed houses in Europe and the Far East (Japan and Australia), and for the first time SADE embarked upon a full-scale arena tour of North America. By then the secretive singing star has developed a thirst for the stage. By the American tour, the band was really into it's stride, great audiences, a lot of soul, and a group running at full throttle made for a truly memorable tour.

Now, SADE is getting ready to release her fourth album Love Deluxe which will be released by

Epic Records this fall. After a four year break, it is the first collection of new songs from the single led by SADE since Stronger Than Pride in 1988. The first single from the album is "No Ordinary Love" a simmering soul classic which was also the title from the summer's smash hit movie "Indecent Proposal," starring Robert Redford, Demi Moore and Woody Harrelson.

LOVE DELUXE is SADE'S most confident album to date. It is uncompromising in it's commitment to honesty and to the issues and feelings which have dominated all of SADE'S songs from the beginning.

Sales of her three previous albums, DIAMOND LIFE, PROMISE and STRONGER THAN PRIDE are in excess of 8 million in the U.S. and more than 20 million worldwide.

Tickets for SADE are \$100 for the pit seating, \$30 for orchestra and Main Floor seating, and \$25 for the balcony. Tickets are available at the Aladdin Theater Box Office and all Ticketmaster locations, or by calling Ticketmaster at (702) 474-4000.
