

CCSN SUMMER ACTING CLASS

For all those aspiring actors among us who would like to find out if they have what it takes, the Henderson Campus of the Community College of Southern

Nevada is offering that opportunity. Critically acclaimed director Brian Storm will teach a summer workshop exploring Shakespearan scenes, with

special emphasis on "Romeo and Juliet." Through the use of theater games, you'll be introduced to a NEW vocabulary of rehearsal techniques, to dig deeper into Shakespeare's text -and shake-up those traditional classical interpretations.

This workshop is an ideal warm-up for those upcoming auditions for two productions of "Romeo and Juliet." (Jester

Productions will present an Equity production of the play in Green Valley in September, with consideration given to local union and non-union actors, and UNLV will present the play in their Fall season.)

At the final meeting, students will have the opportunity to work with Tom Ashworth, director of the Green Valley production of "Romeo and Juliet."

The 3-session workshop meets Saturday July 31, Aug. 7 and Aug. 14, from 11 a.m. to 4 p.m. at the CCSN Henderson Campus, 700 College Drive. The fee is \$69. For more information or to register, call CCSN Community Education at 871-4404.

If You're Dabbling In Drugs... You Could Be Dabbling With Your Life.

Skin popping, on occasion, seems a lot safer than mainlining. Right? You ask yourself: What can happen? Well, a lot can happen. That's because there's a new game in town. It's called AIDS. So far there are no winners. If you share needles, you're at risk. All it takes is one exposure to the AIDS virus and you've just dabbled your life away.
