GAMMALIEL LEADERSHIP CONFERENCE SCHEDULED

R. JOHNSON
Pastor-Teacher
Bethany Baptist Church
West Los Angeles, CA

When Jesus was preparing His disciples for their role, He

displayed a superb training method. He taught them by example as well as by precept, and His teaching was incidental rather than formal. He arranged retreats for special instruction, but in the main their character were developed in the highways of Life rather than in isolation. Their experiences in daily life afforded the opportunity of inculcating spiritual principles and values.

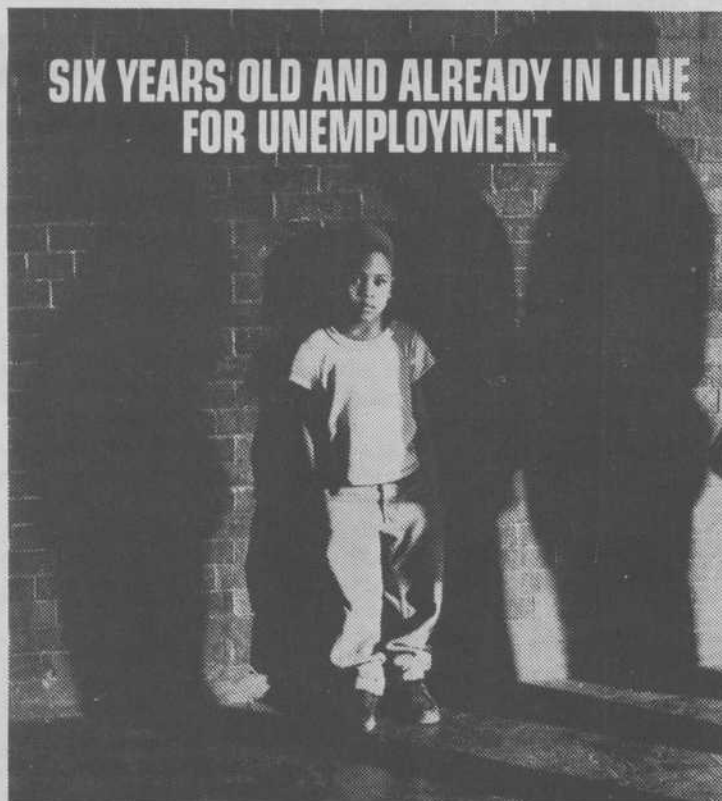

He employed the internship method and that enabled them to learn by their failures as well as their successes.

In preparing a person for leadership, God always has in view the sphere of service to which He purposes to call him.

The Gammaliel Christian Bible Training Institute presents a Leadership Conference with Pastor/Teacher Rocella Johnson M.A.M.T.H. from the Bethany College for Los Angeles, California. Monday, August 2 until Friday August 6, 1993 at Community Baptist Church, 245 East Foster Avenue, Henderson, Nevada at 7:00 p.m. each night. JOIN US! The public is invited!

For more information call Pastor Roberson at 648-8180 or Pastor Rogers at 648-8438.

SIX YEARS OLD AND ALREADY IN LINE FOR UNEMPLOYMENT.

By the time a child is six years old, experts can tell if he's at risk to drop out of high school. They can predict who will have a hard time keeping a job. And even who is more likely to end up on welfare. Thirteen million American children live below the poverty line. And they need help before the age of six to improve their chances in life.

Early intervention programs are crucial. And they do work. Programs like Success

by Six have proven that a poor child who receives help early on can hope for a much brighter future.

But these programs need help from people like you. People to answer the phone, do odd jobs, raise money or play with a child. Whether you give an hour of your time or a box of used toys, it can make a world of difference. Call 1-800-733-5400 to see what you can do to help in your area.

CHANGE THE WORLD OF A CHILD AND YOU CHANGE THE WORLD.
