## NORMAN HUTCHINS' UNIQUE VISION

At the corner of Crenshaw and Jefferson, deep within the concrete confines of inner city Los Angeles, Norman Hutchins spends many of his walking hours. Here, at the 9000-member West Angeles Church Of God In Christ, the young artist spends time not only creating some of the freshest gospel music heard in the genre today, but meeting people's needs in very tangible ways.

Since the release of his acclaimed self-titled Sparrow debut in 1992, Norman's invigorating combination of traditional and contemporary gospel elements has captured the attention of a multitude of gospel music fans. What sets his music apart, however, is a truly unique vision for reaching out and helping those in need. In addition to his national music ministry, this vision currently finds Norman serving as director of social services and director of the Tabernacle Choir for the West Angeles Church, as well as national vice chairperson of the music department for the Church Of God In Christ. It is also permeates his latest Sparrow release, "Don't Stop Praying."

"The Lord has given me gifts and called me to a ministry of helps," Norman said. "I want to (See Norman Hutchins, Pg 25)
