

# WE'RE LOOKING FOR A CAST OF THOUSANDS.

MGM GRAND JOB FESTIVAL – COMING TO YOU THIS WEEKEND!

The search is on. We're looking for 8,000 friendly and enthusiastic "Cast Members" to fill a wide range of positions at the new MGM Grand Hotel, Casino & Theme Park.

As an MGM Cast Member, you'll be working at the most spectacular mega-resort in the world, as well as receiving the most generous benefits in the industry: A health plan with an on-site medical center. An in-house education center called the University of Oz. A 401K retirement savings plan. And the freedom to choose "Flex Time Off."

If joining our Cast of Thousands sounds good to you, bring your talents to our Job Festival this weekend and find out more about our "Employment Outreach" program. Job applications will be taken, as well as interviews given on site. Representatives from various departments will be available to answer questions.

Don't miss this grand opportunity! Saturday, September 18 and Sunday, September 19 from 9 am to 6 pm at the Doolittle Community Center, West Lake Mead and J Street.
