

CLARK REMAINS UNBEATEN ATOP SUNSET; ELDOG AND CHAP DEADLOCKED IN SUNRISE

With only three weeks left in the regular season, Clark looks to have a grasp on the Sunset Division crown, while in the Sunrise, a race has developed. With a win last Friday, Eldorado put themselves right in the middle of the post-season picture with the Chaparral Cowboys.

The Sundevils, led by senior tailback Ed Peebles' 127 yards rushing-2 touchdown performance, beat Basic 18-7 and moved to 4-0 in division play which deadlocks them with the Cow-

boys.

Meanwhile at Valley, Chaparral continued their winning ways and cruised to a 21-13 victory over the Vikings. The Cowboys have a weapon that nobody in town can contain - running back Jason Clayton. Clayton has been a huge producer all season for the 'Boys, and continued that against Valley with 208 yards rushing on 20 carries. If this kid keeps up numbers like that, the 5'11" senior will hear a lot from college coaches around the country before the year is over.

In what was a revenge game

for Clark, the Chargers beat up on the Warriors of Western 33-7. Western let Clark move the ball at will and just could not contain their high-powered offense. Western needed the win for a share of the Sunset lead with C.H.S. The Chargers don't have that many tough games left. Playing like they are now, it looks as if Clark will be battling in the Silver Bowl, come November, for the Southern Zone title.

Other scores to note: Green

Valley beat Las Vegas High 37-6 behind junior tailback Wade Perkins' three touchdown performance, (one of which was a 48-yard punt return); Rancho blanked Boulder City 14-0; The Gaels of Bishop Gorman shut-out Durango 14-0 in traditional form. D.H.S. is now 0-6 overall; It was Bonanza 13 Cheyenne zip. The Bengals rushed for 258 yards against what was a great defense; and finally, Burroughs High, out of San Diego, CA, gave

Cimarron a taste of Southern California prep football, handing the Spartans a 38-9 loss.

GAME OF THE WEEK: This week's pick is by far the biggest game of the year. In what will probably decide who will win the Sunrise Division, Chaparral will host Eldorado for their Homecoming game. After a slow start, the 'Devils have shown that they can play with the best and will have to do just that if they want the title. The obvious problem

for Eldog... ...Jason Clayton!!! If the Sundevils' defense can hold Clayton under 100 yards rushing, they'll win; But if they can't, it'll be a long night. If you want to see one prep football game this year, make this the one !!!

Prediction: Chap 24 - Eldog 10

Former UNLV All-American Isaiah Rider saw his stock rise Wednesday evening, when #4 draftee Jamal Mashburn, out of Kentucky, signed a reportedly seven-year \$32-million dollar contract with the Dallas Mavericks.

Rider, the Minnesota Timberwolves' first-round draft choice (5th overall), has been holding out through the first week of training camp in hopes of securing a fair offer following the Mashburn signing.

Rider's agent, Am Tellum, stated that pending the Mashburn deal, the asking price for Rider could inflate.

According to news reports, the Timberwolves have been offering Rider a six-year package worth 19.8 million. In turn, Rider is seeking \$21 million over six.

Former UNLV All-American Isaiah Rider is one of two unsigned pickles, of the Top Five draftees. #1-pick Chris Webber also remains unsigned.
