If you thought the Magic Mann was ready before, you haven't seen anything yet! Known for "bumping and grinding" in his For Ladies Only shows, The Magic Mann has now exploded on the scene as one of the most explosive rapper/dancers of the '90's. With this multitude of talent, there is little doubt that the Magic Mann is definitely ready!

The great outdoors are a vital part of the city. A number of tour operators run cruises around Vancouver Harbor.

Vancouver is a city of fashionable shops, sidewalk cafe's and seaside markets. It's home to stately old mansions that co-exist harmoniously beside ultra-modern skyscrapers. It is the place where you can ski mountain slopes in the morning and play a round of golf in the after- (See Travel with Bates, Pg 14)
