"TOP OF THE ETCHINGS..."

If you are frustrated with the crime, violence and human abuse haunting our society, and long for a life of love, joy, happiness and honesty, the solution could possibly be Patrick H. Manuel's *Quality Values Self Help Plan*. This universal foundation for self determination and positive action that's bringing about positive changes in the lives of those that have tried, is a now proven plan that was created by one of the world's greatest motivational speakers, Patrick H. Manuel, employing simple principles in a "right over wrong" manner to see, know and apply so that those utilizing it can live the best life.

Our research on Patrick H. Manuel and his Quality Values Plan produced the following information that we now pass on to readers of *Ebony Etchings, Etc.*

The multi-talented Patrick H. Manuel is definitely an electrifying orator who holds audiences spellbound. He also rates very high amongst his peers. In the short period of time that he has been involved in the professional speakers arena, he has reached a level of popularity that could easily bring about a 'yearround' schedule of traveling to speak to numerous and demanding audiences. Audiences, basically comprised of people from all walks of life, express a desire to hear him and are anxious to learn much more about his simplistic Quality Values Plan that endorses and promotes love, joy, happiness and honesty for all.

In reviewing background information on the dynamic energetic young man wediscovered that Patrick's life ambition was to become a great speaker. He began while in grade school and through high school he successfully competed in numerous speaking competitions. Patrick says "my life purpose is to speak and to verbally share uplifting information with my fellowman and woman." During his illustrious 17-year career in broadcasting and in servicing the public through various appointments and organizations Mr. Manuel continued speaking to audiences for local, state and national organizations.

After years of experimenting with ideas that utilized his own life experiences to help others, Patrick H. Manuel finalized the

development of his highly regarded and widely endorsed Quality Values Plan. The Quality values Plan is a basic and simple "right over wrong" plan designed to help each of us become self-supporting individuals and take positive action in reestablishing "right over wrong" principals in our lives.

Speaking forcefully about the importance of doing right as opposed to doing wrong, and getting people or buy into the Quality Values Plan is a full-time career for the former radio announcer/manager who views himself as "a tool of nature with a desire to share and to give to others the best of his being."

Patrick H. Manuel and the Quality Values Plan are basically one!! By working in tandem speaking and promoting the Quality Values Plan, it is his organization's aim and goal to bring about the best 'quality values' possible in the life of humankind.

The feedback on Patrick H. Manuel and his Quality Values Plan has been positive across the board. The following quotes are from people who've been to the plan:

"Your program could be very

beneficial in community school systems, as well as our youth detention centers throughout the state." Frank Bates, Executive Assistant Governor of Georgia.

For those who desire a continuation of traditional values in America the Quality Values Plan comes across as a shining ray of hope in an otherwise dismal forecast of future trends in our nation." Israel Small, Chief Administrative Officer, City of Macon, Georgia.

"We are very elated at the reception of this plan and looking forward to continued success." Naomi Kilpatrick, Chicago Public Schools.

"In all my years as a educator and an administrator, I have not found a program as powerful as your "Quality Values Plan...." I strongly endorse your program for every school in America. Anita R. Robinson, Principal, Bibb County Schools - Macon, Georgia.

"Please accept this letter as support and endorsement of your Quality Values Plan...all schools, juvenile detention facilities and households could most definitely benefit from Quality Values." Natilyne Young, Director, Regional Youth Detention Center - Macon, Georgia.

"The entire community is enthusiastic about the Q.V. Plan. It will be useful in working with parents and our young people." Earl Diaz, Executive Director, (See *Ebony Etchings*, See Pg 16)
