REQUEST FOR PROPOSAL
RFP NO. 11-94

EMPLOYEE CLASSIFICATION AND COMPENSATION STUDY

A PRE-RFP CONFERENCE CONCERNING THESE CONSULTING SERVICES WILL BE HELD ON TUESDAY, NOVEMBER 22, 1994 AT 9:30 A.M. IN THE CONFERENCE ROOM B AT THE LAS VEGAS VALLEY WATER DISTRICT, 3700 WEST CHARLESTON BOULEVARD, LAS VEGAS, NEVADA 89153. The purpose of this conference is to discuss the requested consulting services in detail and to consider prospective proposer's concerns.

Sealed proposals for the aforementioned consulting services will be received in the Human Resources Office, 3700 West Charleston Boulevard, Las Vegas, Nevada 89153 through Friday, December 16, 1994. ALL PROPOSALS MUST BE RECEIVED ON OR BEFORE 3:00 P.M., December 16, 1994. PROPOSALS RECEIVED AND TIME STAMPED AT 3:01 P.M. OR AFTER, WILL BE RETURNED UNOPENED. (OVERNIGHT MAIL MUST USE 89153 AS THE ZIP CODE.)

Request for Proposals can be obtained from the above office between the hours of 8 AM to 5 PM or by calling (702) 258-3933. Published: Las Vegas Sentinel-Voice November 10, 1994

CLARK COUNTY INVITATION TO BID McCarran International Airport

COMPRESSED NATURAL GAS FUELING FACILITY

PROJECT NO. 636

PART ONE: Furnish and install a Compressed Natural Gas (CNG) Fuel Facility; work will include provisions for a turn-key, skid mounted, self-contained CNG fueling station with dispensers, a fuel-management system and canopy for both the fuel island and compressors, storage vessels, and air compressor. Other work will include paving, associated electrical, construction of a computer room and other associated utilities.

PART TWO: Consists of an annual maintenance contract for the fueling facility. Only those bids which address both parts will be evaluated.

PRE-BID CONFERENCE AND SITE TOUR: 9:00 AM, November 16, 1994, at McCarran International Airport in the Construction/Engineering 2nd Floor North Conference Room. Technical questions should be addressed to: Kathleen Camp, Project Coordinator, (702) 261-5737. Address all bidding questions to: Kathleen Camp, Project Coordinator, (702) 261-5737. Designated Contact at Airport: Kathleen Camp, Project Coordinator, (702) 261-5737.

The purpose of the Conference is to review and discuss both the specifications and the Clark County Department of Aviation's Disadvantaged Business Enterprise Policy.

NOTE: All inquiries regarding licensing requirement shall be directed to the Nevada State Contractors Board prior to submission of bid.

Bids will be received in the Office of the Clark County Department of Aviation, Construction/Engineering Division, McCarran International Airport, 5757 Wayne Newton Boulevard, Las Vegas, Nevada 89119, on Wednesday, November 30, 1994. Bids must be time-stamped at 1:30 PM or before, bids time-stamped at 1:31 PM or after will be returned to bidder.

Specifications are available at the above address at a non-refundable cost of \$25.00 plus a non-refundable fee of \$10.00 if the documents are to be mailed.

CLARK COUNTY INVITATION TO BID

CONTRACT NO. 635
NEW GROUND
TRANSPORTATION CENTER

DESCRIPTION OF CONTRACT

A. The Project consists of:

1. Construction of a nine level parking garage of approximately 2,144,000 square feet (slab-on-grade of approximately 244,000 square feet and supported floors of approximately 1,900,000 square feet). The slab-on-grade will be bituminous pavement and the supported floors will be cast-in-place, post-tensioned concrete. A metal sun screen for the roof of the building is included. The new garage will have a central core elevator tower with two stairs, an express ramp on the west side and an express helix on the east side. The new garage will be connected to the existing Baggage Claim Building and parking garage by two pedestrian bridges with moving walkways and four vehicle bridges. A Parking Operations Office of approximately 3,600 square feet will be located on the south side of the new garage. Adjacent to this office will be an Exit Plaza with canopy and concrete islands. The Project includes all architectural, civil, structural, mechanical, and electrical work required for a complete and workmanlike job.

2. Modifications to the existing parking garage consisting of new signs, new bollards, painting, and new lighting (an add alternative). The work includes all required architectural, structural, mechanical, and electrical work for a complete and workmanlike job.

B. The work consists of the following principal elements:

1. Demolition of the existing surface parking lot, as required for construction of the new parking garage, or to within 5'-0" of the new construction.

2. Construction of the new, nine level parking garage described above.

3. Construction of a Parking Operations Office, complete with all architectural, civil, structural, mechanical and electrical work.

4. Construction of an Exit Plaza, complete with islands, steel canopy and all architectural, civil, structural, mechanical and electrical work.

5. Construction of new pedestrian walkways with moving walkways.

6. Construction of four vehicle bridges connecting the new garage with the existing garage. This work includes structural modifications to the existing garage to accommodate the bridges.

7. Modifications to the existing garage to integrate the operations of the new and existing garages. This work includes installation of bollards, electrified signs, non-electrified signs, re-painting existing stripes on two levels, and all required electrical work.

8. Provide alternate bid to procure and install, at the OWNER's option, a new lighting system in the existing garage, complete

with all-conduit and fixtures.

9. Provide alternate bid to procure and install, at the OWNER's option, an audio system consisting of intercom stations, intercom controllers, raceways, boxes, cabinets, wires and cables relating to the system.

10. Provide alternate bid to delete from the Project, at the OWNER's option, the staining of the ceilings in the new garage.

11. Provide alternate bid to delete from the Project, at the OWNER's option, the most easterly bay, grids A to B, as shown on the drawings. The deletion shall include all architectural, civil, structural, mechanical, and electrical work required for that portion of the Project.

12. Provide alternate bid to delete from the Project, at the OWNER's option, the two most easterly bays, grids A to C, as shown on drawings. The deletion shall include all architectural, civil, structural, mechanical, and electrical work required for that portion of the Project.

13. Provide alternate bid to delete from the Project, at the OWNER's option, the appliques. The deletion shall include all appliques, mounting hardware, neon lighting, and all electrical connections.

PRE-BID CONFERENCE:
November 15, 1994, 10:00 A.M.
McCarran International Airport
5th Floor, Conference Room

The purpose of the Conference is to review and discuss both the specifications and the County's and FAA's Disadvantaged Business Enterprise policy.

Bids will be received in the Department of Aviation, 2nd Floor, McCarran International Airport, Office of Construction, Engineering and Transportation, 5757 Paradise Road, Las Vegas, Nevada 89119 on December 08, 1994. Bids must be time-stamped at 3:00 PM or before. Bids time-stamped at 3:01 PM or after will be returned to Bidder, unopened.

The Engineer's Estimate for this work is between \$50,000,000 and \$55,000,000.

Full-size and half-size sets of plans are available at the McCarran International Airport Office of Bechtel Corporation, located on level 2, south balcony, Ticketing Building, between 8:00 am and 4:00 pm, Monday through Friday, phone number is (702) 261-5091, mailing address is P.O. Box 11068, Las Vegas, NV 89111-1068.

Sets of Bid Documents with full-size plans may be obtained for a non-refundable \$250.00 each. Overnight shipping charges are a non-refundable \$60.00.

Sets of Bid Documents with half-size plans may be obtained for a non-refundable \$125.00 each. Overnight shipping charges are a non-refundable \$30.00.

Full payment must accompany orders for sets of Bid Documents. Checks shall be made payable to Department of Aviation.

NOTICE INVITING BIDS

LAS VEGAS WATER DISTRICT
CONTRACT NO. 724R

RONZONE 2420 ZONE PUMPING STATION DISCHARGE PIPELINE

THE SITE OF THE WORK is located within City of Las Vegas rights-of-way and Las Vegas Valley Water District acquired easement in Torrey Pines Drive from the district's Richard J. (Dick) Ronzone Reservoir site on the southwest corner of the intersection of Torrey Pines Drive and Lake Mead Boulevard, northerly to Smoke Ranch Road. The work consists of the installation of 2,898 linear feet of 36-inch diameter 100 psi cement mortar lined and coated steel pipe or Class 50 ductile iron pipe, one (1) reinforced concrete valve vault structure complete with district furnished 36-inch butterfly valve, pavement replacement, and all related connections and appurtenances.

PRE-BID CONFERENCE: Monday, November 14, 1994, at 10:00 AM, in Conference Room "C", of the Las Vegas Water District, 1001 South Valley View Boulevard, Las Vegas, Nevada.

BIDS: Sealed proposals for furnishing all labor, equipment, materials, and services required for the performance of the work specified by the Las Vegas Valley Water District Contract No. 724R entitled "RONZONE 2420 ZONE PUMPING STATION DISCHARGE PIPELINE" will be received in the office of the Director of General Services, Clark County Purchasing Department, 10th Floor, Clark County Bridger Building, 225 Bridger Avenue, Las Vegas, Nevada 89155 up to and including 2:15 P.M. on Monday, November 21, 1994, at which time they will be publicly opened and read aloud. Proposals transmitted by way of overnight mail must use 89101 as the zip code in place of 89155.

PLANS AND SPECIFICATIONS: Contract Volumes consisting of contract documents, specifications, reduced drawings and one set of full size drawings may be obtained at the Clark County Purchasing Department for the non-refundable cost of \$25.00. Checks must be received at the above office and be payable to the "Clark County Treasurer". Payment in cash requires the exact change.

PUBLIC NOTICE CLEAN AIR ACTION PLAN 1994-1995

PROPOSED TEMPORARY PROMOTIONAL FARE INCENTIVES

COMMENT PERIOD AND PUBLIC HEARING

The Clean Air Action Plan includes, as part of its Transit Incentives, a proposal to provide temporary promotional Citizens Area Transit (CAT) system fare incentives during January and February, 1995. This incentive program will take the form of a "two-for-one" sale on monthly CAT Passes and purchases of CAT Coins (tokens). During this proposed promotion, the purchase of a January CAT Pass at the regular price of \$20.00 or reduced price of \$10.00 for eligible Senior Citizens, Youths, or Persons with Disabilities will entitle the purchaser to a pass for the next month at no additional cost. Likewise, CAT Coins (tokens) will be sold at one-half their normal face value during these two months.

The RTC's Clean Air Action Plan is intended to serve as a guide for the implementation of a diverse array of carbon monoxide emission control strategies. The Plan is specifically aimed at the reduction of ambient carbon monoxide concentrations during the 1994-1995 winter season. The RTC will support clean air efforts through its operation of the CAT System, including a new marketing and public awareness program. Written comments concerning this temporary promotional fare incentive proposal will be accepted until December 5, 1994.

PUBLIC HEARING
November 14, 1994
4:00 p.m. to 7:00 p.m.

The public hearing will be held in Room 302 at the Regional Transportation Commission offices, 301 East Clark Avenue. Interested persons are encouraged to come and go at any time during that period. RTC staff will be present to answer questions and a Court Reporter will be present to record oral comments.

The meeting room is accessible and equipped for the hearing-impaired. A signer will be provided upon request. Those requiring special accommodation, please notify us. For more information, please call:
