### Shining For Hope At Victor Awar

Olajuwon, Sugar Ray Leonard, Florence Henderson and Norm Crosby head an all-star cast of championship athletes and show-business personalities who will be featured on the 29th Annual Victor Awards, to be

televised live from the Las Vegas Hilton Hotel over the Prime Network from 6 to 8 p.m. PDT, Saturday, July 1.

The Victor Awards, benefiting the City of Hope National Medical Center and Beckman Research Institute, honors outstanding

professional and amateur athletes in 14 categories of sports for their accomplishments both on and off the field of play.

The show will feature the top names in sports, including two Hall of Fame recipients, all-time pitching great Bob Feller and world welterweight boxing champion Leonard, and a special Victor Award will go to NBC sportscaster Dick Enberg.

Crosby, City of Hope National Ambassador of Goodwill, and Henderson, veteran spokesperson for the national medical center, will be joined by a host of celebrities, including Hal Linden, Gene Barry, Buzz Aldrin, Steve Garvey, Chuck Woolery, Bruce and Kris Jenner, Judith Light, Carrie Shayne, Shana Sechler, Austin O'Brien, Robert Goulet, Mickey Rooney, Devon Odessa, Costas Margaux Mandylor, Hemingway, Barbara Eden, Estelle Getty and Sean Young.

More than 30 of the world's top athletes are selected for the Victor Awards from nominations made by the editors of Sport Magazine. Winners are

determined by the National Academy of Sports Editors, comprising a cross section of sports editors, writers and broadcasters across the nation.

The Victor Awards, an activity of the Sportsmen's Club/ Diamond Circle, a major City of Hope fund-raising group, is sponsored by the Hilton Hotels Corp. and Sport Magazine, which is published by Petersen Publishing Co. Barron Hilton, chairman of Hilton Hotels, is honorary national chairman of the Victor Awards.

The City of Hope National Medical Center and Beckman Research Institute, located in Duarte, Calif., 25 miles northeast of downtown Los Angeles, is renowned for its treatment and research to combat leukemia and other forms of cancer, diabetes and HIV/AIDS.

While more than 90 percent of all City of Hope patients are treated for some type of malignant disease, active research is also under way to address Alzheimer's disease and a number of genetic and hereditary disorders.
