WHERE WE WANT ONLY TO BE THE BEST

**TO THE
LAS VEGAS AFRICAN-AMERICAN
COMMUNITY**

We are proud to be a "Charitable Link" with our community here in Clark County. In our search for organizations and programs deserving of our support and assistance we have discovered that the African-American community is "short-changed" when it comes to allocation of funds for assistance to A.I.D.S. or HIV positive individuals. Las Vegas Chrysler-Plymouth has joined forces with the Economic Opportunity Board and their response radio station, KCEP 88.1 FM, as well as the Las Vegas Sentinel Voice Weekly Newspaper to help right this injustice. For the

month of August, Las Vegas Chrysler-Plymouth will donate \$75.00 for every vehicle we sell to endow an emergency assistance fund to aid these disenfranchised citizens. If you are in the market for a quality new or used vehicle or would simply like to make a donation to help these people, please contact Las Vegas Chrysler-Plymouth at 870-9793 or Tom Saitta Truck Center & Cars Too at 368-7825.
