paratransit, transportation system for disabled persons and senior citizens as part of the Citizens Area Transit (CAT) system.

Persons who establish with the RTC their eligibility as disabled under the Americans With Disabilities Act, even temporarily, will be eligible for rides whenever they call for a reservation.

However, all persons 65 years and older, even if they many not be aware they may qualify with an ADA disability, should call to reserve a ride. CAT paratransit personnel will help with the very simple disability eligibility certification process. The RTC wants to assure readers that no person 65 years or older will be refused a ride on the CAT paratransit service simply because they have not yet established disability eligibility.

Residents and visitors in Las Vegas who have questions about their CAT paratransit service are encouraged to call CAT-RIDE (228-7433). Persons in Clark County communities outside of Las Vegas Valley may call 1-800-228-3911, toll free, to obtain paratransit system and eligibility information
