

Up to 43,200 local minutes FREE.†

That's your first 30 days of local cellular usage on us.

It's absolutely true. You can talk on your phone, continuously 24 hours a day, for a full 30 days (that's 724 hours or 43,200 minutes) for free. AT&T Wireless Services is giving you one whole month of free local cellular airtime. To get it, just sign up for any new line of service. And if you need a new phone, choose between the Motorola Alpha B Flip Phone or the Ericsson AH220 Micro Flip Phone for \$9.99*.

We'll even deliver it to your home or office at absolutely no charge.
