• e-mail the request to info@osn.com

With the registration form and \$69 listing fee, OSN will create a comprehensive profile of the

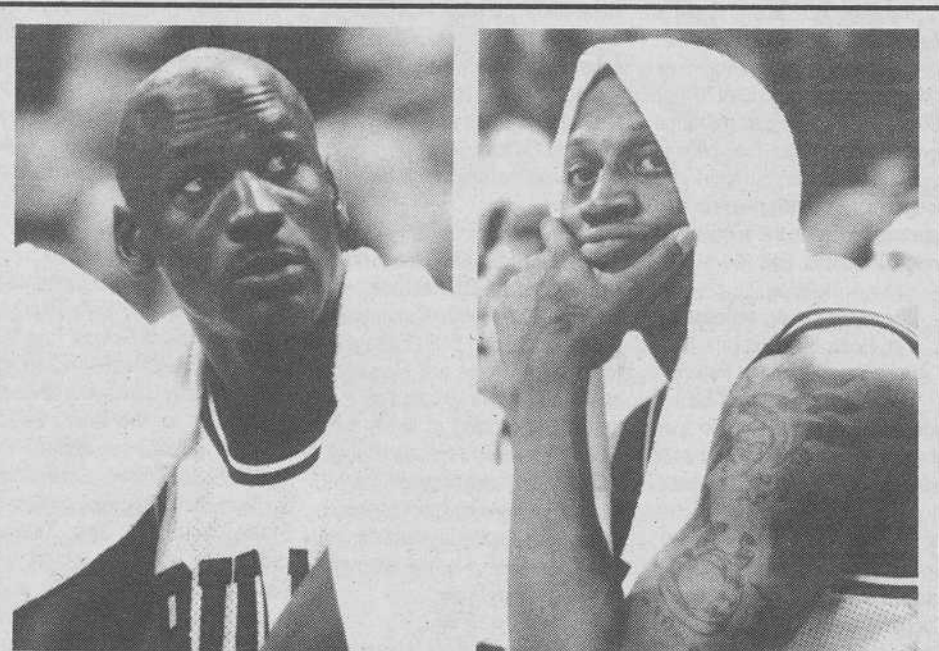

athlete, including their personal, academic and athletic achievements along with a digitized photograph. For an additional \$80 a year, a two-minute, digitized highlight film clip will be included in OSN's database. Student-athletes will have the ability to update their profile up to five times during that year subscription.

Student-athletes who are

quick on their feet can take advantage of the new service for free. With a pencil and OSN's registration form, the first 1,000 student-athletes who complete and submit their data will have the \$69 annual listing fee refunded. Other student-athletes who have proof that their SAT/ACT testing fees have been waived will be permitted to list their basic profiles on OSN at no charge.

College athletic recruiting staff and admissions officers with a registered user name and password can access the OSN data-base via the web site at no charge, 24-hours a day on any Macintosh or Windows PC with Internet capabilities.
