

COMMUNITY  
COLLEGE  
SOUTHERN  
NEVADA

Las Vegas, Nevada

# FACULTY POSITIONS

The following faculty positions are anticipated starting Fall, 1997. These will generally be tenure track positions with the usual benefits and competitive salaries. The normal teaching load is 15 units together with associated professional, college and community activities. While some positions are 12 months, most will be 9 months with the possibility of summer employment. Assignments may be multi-campus with the possibility of day, evening and weekend classes. ALL POSITION OPENINGS ARE TENTATIVE, PENDING STATE FUNDING.

Generally, a Master's degree in selected areas of specialization will be required. Degrees may vary depending upon the discipline. Appropriate certification, registration or licensure at the professional level will be required for some disciplines. Teaching experience is preferred for all positions with appropriate nonteaching experience preferred for the applied occupational disciplines.

The Community College of Southern Nevada is a comprehensive community college with an average enrollment of more than 24,000 students. Facilities include 3 campuses and approximately 40 learning centers distributed throughout the four county districts.
