CLARK COUNTY, NEVADA SENIOR PLANNER

Clark County is currently recruiting for the position of Senior Planner for the Air Quality Team of the Comprehensive Planning Department. Incumbent will conduct area wide and localized (hotspot) modeling and participate in other air quality planning activities. The candidate should have extensive knowledge of the Clean Air Act Amendments, federal transportation legislation and be experienced in conducting air quality modeling analyses utilizing Urban Airshed Model and other U.S. EPA models. Position requires a Bachelor's Degree with major course work in City, Regional, Transportation, Urban or Environmental Planning and three (3) years of professional planning experience, with at least one year of proven experience with Airshed Models. Related experience can be substituted for the education on a year-for-year basis. An advanced degree is highly desirable. This position is subject to continuation based on availability of grant funds and the employee terminated without right of appeal when such funding is no longer available. Excellent benefits package, including fully paid retirement. No state income tax.

Salary Range: \$37,897.60 to \$58,739.20
