American Heart Association North Las Vegas Board of Directors

Plans are being made to organize a board of directors in North Las Vegas, for the American Heart Association. The first organizational meeting will be held 6:30 p.m. Tuesday, Aug. 5, at the Community College of Southern Nevada's Cheyenne Campus, 3200 E. Cheyenne Ave.

All citizens of North Las Vegas who are interested in learning how they can join the fight against cardiovascular diseases and stroke in their community are cordially invited to attend.

"North Las Vegas is growing at a rapid rate, and I believe this community has a responsibility to help in the fight against cardiovascular disease," said Andrea Reitan of North Las Vegas. "We can accomplish this by organizing a division of the American Heart Association. I hope many of our citizens will share my opinion and become actively involved."

Cardiovascular diseases rank as America's No. 1 killer. They claim the lives of more than 2.3 million Americans each year. The American Heart Association is fighting to reduce disability and death from heart disease and stroke by sponsoring research, professional and public education and community service programs.

For more information on the North Las Vegas division, please contact the American Heart Association at 367-1366.
