

When It Comes to Bringing Together A Great Community...

THE BUS STOPS HERE.

New CAT Routes Are Now In Effect.

Citizens Area Transit is on a mission - bringing together our great community and providing services spanning the entire Las Vegas Valley and beyond. That's why effective October 26, we will be increasing service by 15%, adding new routes, and extending some to 24 hours a day. That means you can go more places, more often - all hours of the day, every day of the week.

Newly Expanded Service... Same Low Fares.

CAT may be expanding, but you won't be extending your pocketbook. Our fares will remain the same.
