**NEVADA DEPARTMENT OF TRANSPORTATION
PREQUALIFICATION NOTICE OF
ADMINISTRATION OF RELATED
SERVICE CONTRACTS**

The Nevada Department of Transportation (NDOT) expects that in the future it may request proposals from consulting firms for the services listed below. For the purpose of soliciting the proposals and in accordance with 23CFR172, entitled "Administration of Related Service Contracts", the NDOT maintains lists of responsible prequalified firms that possess the ability to successfully perform needed services.

This is an annual solicitation for prequalification and has no cutoff date for submissions. NDOT is always open to receipt of prequalification statements from interested firms.

Prequalification lists are maintained for a period of two (2) years. The new prequalification period will be effective January 1, 1998 through December 31, 1999. If you are currently on NDOT's prequalification list(s), you must resubmit prequalification form(s) for each discipline because all lists will be purged on December 31, 1997.

Submittal(s) to the prequalification lists should be addressed to the Nevada Department of Transportation, Agreement Services, 1263 South Stewart Street, Carson City, Nevada 89712 for EACH discipline in which the consultant wishes to be considered. Prequalification submittals may be combined into one package for each NDOT Division. Should you choose to submit a combined package for each NDOT Division, please indicate each of the disciplines in that respective division for which you seek prequalification, separating each discipline with a tab. Professional consulting services expected to be required by NDOT include, but are not limited to:

DISCIPLINE (NON-ENGINEERING)	DISCIPLINE (NON-ENGINEERING)
ARCHITECTURE	Asbestos Abatement (Design and Administration); Building Architecture; Building Inspection; Civil Engineering (Bldg. Site); Electrical Engineering; Feasibility Studies; Historical Renovation/Preservation; Interior Design; Landscape Architecture; Mechanical Engineering; Structural Design (Building)
BRIDGE	Bridge Inventory & Inspection; Structural Design (Bridge)
CONSTRUCTION	Claims Review; Dispute Analysis Team Member; Construction Engineering Highways/Structures (Full Administration); Construction Engineering Highways/Structures (Augmentation of NDOT Construction Crews); *Partnering Facilitators
*CONTRACT COMPLIANCE... DESIGN	DBE/Indian Outreach Supportive Services; Bicycle Facilities; Feasibility Studies (Roadways); Freeway Design; Surface Street Design
ENVIRONMENTAL	Environmental Services
HYDRAULICS	Drainage Studies and Design; Erosion Control
*INTERMODAL PLANNING	Bicycle Facilities; Feasibility Studies (Planning); Geographic Information Systems; Goods Movement Analysis; Multi-Modal Transportation System Plans; Planning (Aviation/Rail/Transit)
*LEGAL	Accident Reconstruction; Casino/Hotel Feasibility and Development; Commercial Development Feasibility; General Engineering, or Traffic Engineering; Construction/Reconstruction Cost Estimation for Residential, Commercial and Industrial; Economic Analysis for Interest Rate on Investment or Economic Loss
LOCATION	Geographic Information Systems; Photogrammetry; Surveys (Preliminary, Design, Construction)
OPERATIONS	Value Engineering
PROGRAM DEVELOPMENT	Major Investment Study
*RESEARCH	Studies and Design of Intelligent Transportation Systems; Freeway Service Patrol Program; Studies and Design of Scenic Byways
RIGHT-OF-WAY	Right of Way Engineering; Underground Locating; Utility Relocation
SAFETY	Safety Engineering
TRAFFIC	Traffic Investigations, Studies & Engineering

Consulting firms possessing demonstrable expertise in these areas are encouraged to submit. Minority Business Enterprise and Women's Business Enterprise firms are expressly invited to submit as most of NDOT's projects have specific requirements relative to Affirmative Action Program activities.

Included in the prequalification submittal should be general information on the firm, the firm's brochure, experience of the firm (Standard Form 254), and a resume (Standard Form 255) of key personnel expected to be available for assignment to engineering contracts for NDOT. Non-engineering consultants should contact NDOT for the applicable Statement of Prequalification Form.

Additionally, all interested firms must submit a detailed statement indicating the organizational structure under which the firm proposes to conduct business. The relationship to any "parent" firm or subsidiary with any of the parties concerned must be clearly defined. Further, the firm shall provide a statement of any and all contracts with NDOT which are currently being performed and a statement whether the professional consultant or firm performed services under any name other than the one appearing in the response.

Personnel in responsible charge of any engineering work are required to possess and maintain a valid Nevada Professional Engineer's License, or in the case of right-of-way and surveying a Nevada Professional Land Surveyors License. Those in charge of architectural work are required to possess and maintain a Nevada Professional Architect License. All licenses are required at the time of prequalification.

Any questions regarding this solicitation should be directed to the NDOT Agreement Services Section at the address noted above or by calling (702) 888-7058.

Sets of Bid Documents, with half-size plans may be obtained for a non-refundable cost of \$20.00. Overnight shipping charges are a non-refundable \$10.00.

The proposed Contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions.

Full payment must accompany orders for sets of Bid Documents. *Checks shall be made payable to Department of Aviation.*

All labor on the project shall be paid no less than the minimum wage rates established by the U.S. Secretary of Labor and the State of Nevada.

Each Bidder must supply all the information required by the bid documents and specifications.

The EEO requirements, labor provisions and wage rates are included in the specifications and bid documents and are available for inspection at the Department of Aviation, 2nd Floor, McCarran International Airport, Office of Construction/Engineering, 5757 Paradise Road, Las Vegas, Nevada.

Each Bidder must complete, sign and fur-

nish prior to award of the Contract, the "Bidder's Statement on Previous Contracts Subject to EEO Clause," a "Certification of Nonsegregated Facilities," and the "Assurance of Disadvantaged Business Enterprise Participation," as contained in the Bid Proposal.

A Bidder having 50 or more employees and its Subcontractors having 50 or more employees and who may be awarded a Contract of \$50,000.00 or more will be required to maintain an affirmative action program, the standards for which are contained in the specifications.

To be eligible for award, each Bidder must comply with the affirmative action requirements which are contained in the specifications.

Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards or requirements for the employment of minorities.

The failure to comply with the Preferential Employment Requirements of NRS 338.130 shall render the Contract void and may subject the Contractor to criminal penalties.

The OWNER, in accordance with Title VI of the Civil Rights Act of 1964, hereby notifies all Bidders that they (Bidders) must affirmatively insure that if any Contract entered into pursuant to this advertisement, Disadvantaged Business Enterprises will be afforded full opportunity to submit Bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion or national origin in consideration for award.

Each Bidder will be required to comply with the affirmative action plan for equal employment opportunity prescribed by the OFCCP, United States Department of Labor, Regulations of the Secretary of Labor (41 CFR 60), or by other designated trades used in the performance of the Contract and other non-federally involved Contracts in the area geographically defined in the plan.

Bidders and its Subcontractors may satisfy requirements of the EEO Contract clause by stating in all solicitations or advertisements for employees that:
"Any qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin." Or, by using a single advertisement in which appears in clearly distinguished type, the Phrase: *"an equal opportunity employer."*

A Bidder must indicate whether it has previously had a Contract subject to the EEO clause and whether it has filed all report forms required in such Contract. If the selected Bidder has not submitted a complete and accurate Compliance Report within 12 months preceding the date of award, a Compliance Report (Standard Form SF 100) must be submitted prior to award of the Contract.

The Bidder shall require the Subcontractor on any first tier Subcontracts to file an SF 100 prior to award of the Subcontract if the above conditions apply. An SF 100 will be furnished upon request. The SF 100 is normally furnished Contractors annually, based on a mailing list currently main-

tained by the Joint Reporting Committee. In the event a Contractor has not received the form, he may obtain it by writing to the following address:

Joint Reporting Committee
1899 G Street, N.W.
Washington, D.C. 20506

Each Bidder must furnish a Bid Guarantee equivalent to five percent of the Bid price. The "Bid Guarantee" shall consist of a firm commitment such as a Bid Bond, certified check, or other negotiable instrument accompanying a Bid as assurance that the Bidder will, upon acceptance of his Bid, execute such contractual documents as may be required within the time specified.

The successful Bidder agrees to furnish a performance bond for 100 percent of the Contract price. This bond is one that is executed in connection with a Contract to secure fulfillment of all the Bidder's obligations under such Contract.

The successful Bidder agrees to furnish a payment bond for 100 percent of the Contract price. This bond is one that is executed in connection with a Contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the Contract.

Bidders and its Subcontractors agree:

That any facility to be used in the performance of the Contract or to benefit from the Contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities.

To comply with all the requirements of Section 114 of the Clean Air Act, and Section 308 of the Federal Water Pollution Control Act, and all regulations issued thereunder;

That, as a condition for award of a Contract, they will notify the awarding official of the receipt of any communication from the EPA indicating that a facility to be utilized for performance of or benefit from the Contract is under consideration to be listed on the EPA List of Violating Facilities; and

To include or cause to be included in any Contract or Subcontract, which exceeds \$100,000, the aforementioned criteria and requirements.

The OWNER reserves the right to refuse to issue a bid form, or to accept a bid from a prospective Bidder should such Bidder be in default for any of the following reasons:

Failure to comply with any pre-qualification regulations of the OWNER, if such regulations are cited, or otherwise included, in the proposal as a requirement for bidding; or

Failure to pay, or satisfactorily settle, all bills due for labor and materials on former contracts in force (with the OWNER) at the time the OWNER issues the proposal to a prospective Bidder; or

Contractor default under previous contracts with the OWNER; or

Unsatisfactory work on previous contracts with the OWNER.
