

Clark County School District's Magnet Schools are

Accepting Applications for the 1999-00 School Year

Elementary Magnet Application Period

January through Friday, February 19, 1999

Middle School Application Period

Friday, January 22, 1999 through Friday, February 26, 1999

High School Magnet Application Period

January through Friday, February 19, 1999

All of the Clark County School District's magnet programs are attended voluntarily by students who choose to apply to magnet programs based on their special interests and talents. Through these magnet programs, Clark County School District is promoting diversity, providing unique educational opportunities, and striving to improve achievement for all students participating in the magnet school or program. Promoting diversity, providing a unique or specialized curriculum, and improving student achievement through academic excellence are major educational goals of magnet programs.

When the number of eligible student applications for a magnet program exceed the number of seats available for a program area, the CCSD will utilize a lottery process.

The Clark County School District shall not discriminate on the basis of sex, age, race, color, national origin, religion, or handicap in the educational programs or activities which it operates. The Clark County School District is committed to diversity in its programs because the district believes that diversity is educationally beneficial for all students.

The District will endeavor to ensure where possible that special needs students admitted to the District's magnet programs are provided with the required supplemental services and accommodations to facilitate their education in such programs. Student applicants who feel that they have special needs are encouraged to provide additional information concerning such needs with the application form, or to the recruiter and/or cooperative teacher during the application process.

It is the policy of the Clark County School District to afford equal opportunity in education to qualified students. If you think you have a disability that may affect your ability to fully participate in any of the district's magnet programs, you are encouraged to provide information about your disability to the review committee at the school(s) to which you have submitted an application so that they may help you develop an accommodation plan. Admissions criteria will not be waived, but accommodations will be made where possible to allow you to meet the requirements, provided that you are timely in working with the committee to develop an accommodation plan.
