

Martin Luther King fought and died for your right to vote.

Now Arnie Adamsen needs your vote for Mayor.

Dear Friends:

The way we see it, there is only one candidate for Mayor. **Arnie Adamsen** has stood with us day after day, and year after year, as we have worked to keep our communities safe and our children filled with a bright future. We are all supporting Arnie Adamsen.

Several candidates in this race might be more "flashy", but no one can match the Adamsen record of experience. Whenever we have asked for Arnie's help over the last 12 years, **he has been there for us** — and he will continue to be there for us — as our Mayor.

We have worked closely with Arnie on many important issues. In fact, when serving on the Council, Arnie Adamsen provided the vote we needed to name Highland Avenue in honor of the **Reverend Martin Luther King**.

Now Las Vegans drive on a street to honor Dr. King every day of the year.

Please join us in voting for Arnie Adamsen for Mayor on May 4th. **Our community needs him in City Hall to keep working for us.**

Sincerely,
