

Gary Reese

Making a difference for families in Las Vegas

Among the many accomplishments for Councilman Gary Reese in Ward 3, several stand out in Historic West Las Vegas, where he has concentrated on improving the quality of life for his constituents.

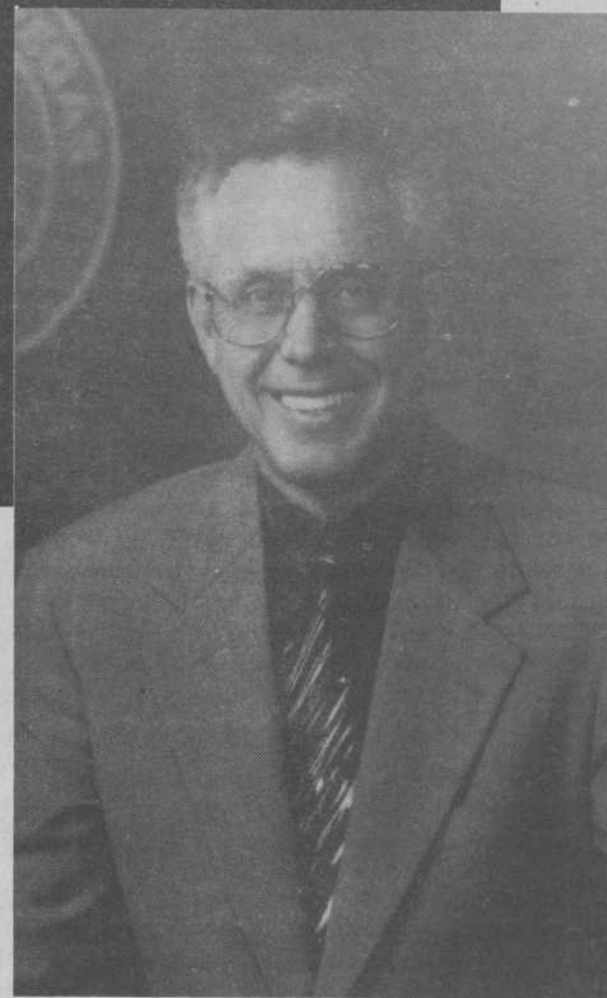

"I pledged to fulfill my 'Neighborhood Agenda,' a plan to bring the people of Ward 3 together with city government in a common effort to preserve our neighborhoods, make our streets safe and build a better quality of life for our families," the Councilman says.

During his first term in office, Councilman Reese has implemented the following projects:

- ★ The Doolittle Recreation Center Improvements
- ★ The Carey Avenue Street Improvements
- ★ The Owens Gateway Project, with CDBG Funds
- ★ The Vegas Heights Revitalization
- ★ The Lubertha Johnson Park Upgrade
- ★ The Las Vegas Business Center, which includes a VA Hospital, Post Office and School
- ★ Neighborhood Renaissance Projects
- ★ The Municipal Pool Renovation

"I can proudly say that — together — we've made that many of the goals of that agenda a reality. This is just a small sample of the dozens of projects that were completed in Ward 3. You and your neighbors in Ward 3 should take great pride in what we've accomplished, because you're all just as responsible as I am for getting the work done. Without your support, these great strides would not have been a reality

***Councilman Reese's commitment to Ward 3 is real.
His record is clear. He deserves our continued support.***
