Bidders are advised the Las Vegas Valley Water District Purchasing Division has established, in coordination with Clark County, an automated Fax-On-Demand system that allows a caller to request and receive information by facsimile. Information potentially available includes a schedule of current projects, copies of bid invitations, plan holder's lists, report of bid openings, and project award information. To access the system, bidders must use the telephone handset on their fax machine and dial (702) 455-5428 or (702) 455-5590, and follow the voice message prompts to receive the desired information.

Pursuant to NRS 624.230, Bidders and all their Subcontractors must be licensed contractors in the State of Nevada.

Attendance at a prebid conference, as specified in the Instructions to Bidders, is encouraged. Among other things, information regarding the Project Labor Agreement and its terms, conditions and meanings will be discussed at the prebid conference.

Bid Security in the amount of 5% of the Bid Price must accompany each Bid.

The CONTRACTOR will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract in accordance with Chapter 339 of the Nevada Revised Statutes.

CONTRACTOR and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents. These standards include the employment provisions of NRS 338 (Public Works Projects) and the Project Labor Agreement.

CONTRACTOR and all Subcontractors will be required to provide insurance as set forth in the Contract Documents. This insurance shall include coverages required by NRS 616 (Industrial Insurance) and NRS 617 (Occupational Diseases). The requirements of NRS 612 (Unemployment Compensation) are also in effect.

The CONTRACTOR may be required to enter into an agreement with the AUTHORITY to establish a Disputes Review Board. The intent of the Board is to fairly and impartially provide determinations and recommendations to both CONTRACTOR and AUTHORITY for each issue in dispute.

Pursuant to NRS 338.143, AUTHORITY reserves the right to reject any or all Bids, including without limitation the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional Bids, and to reject the Bid of any Bidder if AUTHORITY believes that it would not be in the best interest of AUTHORITY to make an award to that Bidder. AUTHORITY also reserves the right to waive informalities. Bids will be evaluated as prescribed in NRS 338.147.

DATE: June 30, 1999. SIGNED: By Rodney J. Flack for Douglas A Selby,
Director of Engineering, Southern Nevada Water Authority.

Sets of Bid Documents, with half-size plans may be obtained for a non-refundable cost of \$80.00. Overnight shipping charges are a non-refundable \$30.00.

The proposed Contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions.

Full payment must accompany orders for sets of Bid Documents. Checks shall be made payable to Department of Aviation.

All labor on the project shall be paid no less than the minimum wage rates established by the U.S. Secretary of Labor and the State of Nevada.

Each Bidder must supply all the information required by the bid documents and specifications.

The EEO requirements, labor provisions and wage rates are included in the specifications and bid documents and are available for inspection at the Department of Aviation, 2nd Floor, McCarran International Airport, Office of Construction/Engineering, 5757 Wayne Newton, Las Vegas, Nevada.

Each Bidder must complete, sign and furnish prior to award of the Contract, the "Bidder's Statement on Previous Contracts Subject to EEO Clause," a "Certification of Nonsegregated Facilities," and the "Assurance of Disadvantaged Business Enterprise Participation," as contained in the Bid Proposal.

A Bidder having 50 or more employees and its Subcontractors having 50 or more employees and who may be awarded a Contract of \$50,000.00 or more will be required to maintain an affirmative action program, the standards for which are contained in the specifications.

To be eligible for award, each Bidder must comply with the affirmative action requirements which are contained in the specifications.

Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards or requirements for the employment of minorities.

The failure to comply with the Preferential Employment Requirements of NRS 338.130 shall render the Contract void and may subject the Contractor to criminal penalties.

The OWNER, in accordance with Title VI of the Civil Rights Act of 1964, hereby notifies all Bidders that they (Bidders) must affirmatively insure that if any Contract entered into pursuant to this advertisement, Disadvantaged Business Enterprises will be afforded full opportunity to submit Bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion or national origin in consideration for award.

Each Bidder will be required to comply with the affirmative action plan for equal employment opportunity prescribed by the OFCCP, United States Department of Labor, Regulations of the Secretary of Labor (41 CFR 60), or by other designated trades used in the performance of the Contract and other non-federally involved Contracts in the area geographically defined in the plan.

Bidders and its Subcontractors may satisfy requirements of the EEO Contract clause by stating in all solicitations or advertisements for employees that: "Any qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin." Or, by using a single advertisement in which appears in clearly distinguished type, the Phrase: "an equal opportunity employer."

A Bidder must indicate whether it has previously had a Contract subject to the EEO clause and whether it has filed all report forms required in such Contract. If the selected Bidder has not submitted a complete and accurate Compliance Report within 12 months preceding the date of award, a Compliance Report (Standard Form SF 100) must be submitted prior to award of the Contract.

The Bidder shall require the Subcontractor on any first tier Subcontracts to file an SF 100 prior to award of the Subcontract if the above conditions apply. An SF 100 will be furnished upon request. The SF 100 is normally furnished Contractors annually, based on a mailing list currently maintained by the Joint Reporting Committee. In the event a Contractor has not received the form, he may obtain it by writing to the following address: Joint Reporting Committee, 1899 G Street, N.W., Washington, D.C. 20506.

Each Bidder must furnish a Bid Guarantee equivalent to 5 percent of the Bid price. The "Bid Guarantee" shall consist of a firm commitment such as a Bid Bond, certified check, or other negotiable instrument accompanying a Bid as assurance that the Bidder will, upon acceptance of his Bid, execute such contractual documents as may be required within the time specified.

The successful Bidder agrees to furnish a performance bond for 100 percent of the Contract price. This bond is one that is executed in connection with a Contract to secure fulfillment of all the Bidder's obligations under such Contract.

The successful Bidder agrees to furnish a payment bond for 100 percent of the Contract price. This bond is one that is executed in connection with a Contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the Contract.

Bidders and its Subcontractors agree:

That any facility to be used in the performance of the Contract or to benefit from the Contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities.

To comply with all the requirements of Section 114 of the Clean Air Act, and Section 308 of the Federal Water Pollution Control Act, and all regulations issued thereunder;

That, as a condition for award of a Contract, they will notify the awarding official of the receipt of any communication from the EPA indicating that a facility to be utilized for performance of or benefit from the Contract is under consideration to be listed on the EPA List of Violating Facilities; and

To include or cause to be included in any Contract or Subcontract, which exceeds \$100,000, the aforementioned criteria and requirements.

The OWNER reserves the right to refuse to issue a bid form, or to accept a bid from a prospective Bidder should such Bidder be in default for any of the following reasons:

Failure to comply with any pre-qualification regulations of the OWNER, if such regulations are cited, or otherwise included, in the proposal as a requirement for bidding; or

Failure to pay, or satisfactorily settle, all bills due for labor and materials on former contracts in force (with the OWNER) at the time the OWNER issues the proposal to a prospective Bidder; or Contractor default under previous contracts with the OWNER; or Unsatisfactory work on previous contracts with the OWNER.
