**LAS VEGAS VALLEY WATER DISTRICT
SECTION 00020
INVITATION TO BID AND LEGAL NOTICE**

**CONTRACT NO. SNWA 910-AR
LV WASH EROSION CONTROL STRUCTURE NO. 1
PUBLIC WORKS PROJECT I.D. NO. PWP-CL-2000-2**

Sealed bids for furnishing all labor, equipment, materials, and services required for the performance of the Work specified by the Southern Nevada Water Authority (AUTHORITY), Contract No. SNWA 910-AR, entitled "LV WASH EROSION CONTROL STRUCTURE NO. 1," will be publicly opened and read aloud starting at 2:16 p.m. on June 16, 2000 in the Mead Conference Room, off the main lobby of the Las Vegas Valley Water District, 1001 South Valley View Blvd., Las Vegas, Nevada. All Bids must be received prior to the start of the Bid opening and must be submitted to one of two locations as specified below.

Any time after the date of this invitation to Bid and prior to 2:00 p.m. on the date of the Bid opening. Bids will be received at the office of the Purchasing Division, Las Vegas Valley Water District. Bids may be mailed or hand carried (including overnight delivery) to the Purchasing Division using the following addresses:

If mailed:	If hand carried or overnight delivery:
Las Vegas Valley Water District Purchasing Division 1001 South Valley View Boulevard Las Vegas, Nevada 89153	Las Vegas Valley Water District Purchasing Division 1001 South Valley View Boulevard Las Vegas, Nevada 89107

Starting at 2:00 p.m. and up to and including 2:15 p.m. on the date of the Bid opening, hand carried Bids will be received only at the Bid opening location in the Mead Conference Room. The proposed Work is generally described as follows:

The proposed work consists of construction of an erosion control structure in the Las Vegas Wash, Clark County, Nevada. The structure type is a placed, heavy rock rip rap weir with sheet pile cutoff walls. Site grading and construction of access roads are also included.

The Work is a public works project as defined by Chapter 338 of the Nevada Revised Statutes and all Bidders are required to comply with, and the Contract shall be awarded and administered in accordance with, the laws contained in that chapter.

All Bids must be in accordance with the Bidding Documents on file with the Las Vegas Valley Water District, 1001 South Valley View Blvd., Las Vegas, Nevada 89153.

Copies of the Bidding Documents have also been provided to Dodge Reports, Las Vegas Office. Copies of the Bidding Documents may be obtained from the Las Vegas Valley Water District, Purchasing Division, 1001 South Valley View Blvd., Las Vegas, Nevada 89153. Charges for all documents obtained will be made on the following basis:

Complete set of Bidding Documents (includes one set of Specifications and one set of half-size Drawings)	Charge \$ 75.00
Complete set of full size Drawings only	\$ 50.00
Geotechnical Data Report (information only)	\$ 50.00
Title: "Proposed Grade Control Structure Las Vegas Wash Clark County, Nevada"	
Previous Geotechnical Data Report (information only)	\$ 50.00
Title: "Geotechnical Site Investigation Las Vegas Valley Lateral Pipeline Las Vegas, Nevada"	

Charges are not refundable.

Checks shall be made payable to the Las Vegas Valley Water District.

Bidders are advised that the Las Vegas Valley Water District and Southern Water Authority have expanded their web sites to include information concerning construction opportunities. Information potentially available includes a schedule of current projects, copies of bid invitations, plan holder's lists, report of bid openings, and project award information. This information can be viewed by clicking on the **Constructions Opportunities** link at the following address: <http://snwa.com>

Pursuant to NRS 624.230, Bidders and all their subcontractors must be licensed contractors in the State of Nevada.

Attendance at a prebid conference, as specified in the Instructions to Bidders, is encouraged. Among other things, information regarding the Project Labor Agreement and its terms, conditions and meanings will be discussed at the prebid conference.

Bid Security in the amount of 5% of the Bid Price must accompany each Bid.

The CONTRACTOR will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract in accordance with Chapter 339 of the Nevada Revised Statutes.

CONTRACTOR and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents. These standards include the employment provisions of NRS 338 (Public Works Projects) and the Project Labor Agreement.

CONTRACTOR and all Subcontractors will be required to provide insurance as set forth in the Contract Documents. This insurance shall include coverages required by NRS 616 (Industrial Insurance) and NRS 617 (Occupational Diseases). The requirements of NRS 612 (Unemployment Compensation) are also in effect.

The CONTRACTOR may be required to enter into an agreement with the AUTHORITY to establish a Disputes Review Board. The intent of the Board is to fairly and impartially provide determinations and recommendations to both CONTRACTOR and AUTHORITY for issues in dispute.

Pursuant to NRS 338.143, AUTHORITY reserves the right to reject any or all Bids, including without limitation the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional Bids, and to reject the Bid of any Bidder if AUTHORITY believes that it would not be in the best interest of AUTHORITY to make an award to that Bidder. AUTHORITY also reserves the right to waive informalities. Bids will be evaluated as prescribed in NRS 338.147.

DATE: May 5, 2000
SIGNED: Jim Caffrey for Marcus R. Jenson, P.E.
Director of Engineering, Southern Nevada Water Authority.

SECTION 00020
INVITATION TO BID AND LEGAL NOTICE**

**CONTRACT NO. SNWA 140-C
GOWAN 2350 PUMPING STATION**

PUBLIC WORKS PROJECT I.D. NO. PWP-CL-2000-2

Sealed bids for furnishing all labor, equipment, materials, and services required for the performance of the Work specified by the Southern Nevada Water Authority (AUTHORITY), Contract No. SNWA 140-C, entitled "GOWAN 2350 PUMPING STATION," will be publicly opened and read aloud starting at 2:16 p.m. on June 16, 2000 in the Mead Conference Room, off the main lobby of the Las Vegas Valley Water District, 1001 South Valley View Blvd., Las Vegas, Nevada. All Bids must be received prior to the start of the Bid opening and must be submitted to one of two locations as specified below.

Any time after the date of this invitation to Bid and prior to 2:00 p.m. on the date of the Bid opening. Bids will be received at the office of the Purchasing Division, Las Vegas Valley Water District. Bids may be mailed or hand carried (including overnight delivery) to the Purchasing Division using the following addresses:

If mailed:	If hand carried or overnight delivery:
Las Vegas Valley Water District Purchasing Division 1001 South Valley View Boulevard Las Vegas, Nevada 89153	Las Vegas Valley Water District Purchasing Division 1001 South Valley View Boulevard Las Vegas, Nevada 89107

Starting at 2:00 p.m. and up to and including 2:15 p.m. on the date of the Bid opening, hand carried Bids will be received only at the Bid opening location in the Mead Conference Room. The proposed Work is generally described as follows:

Gowan 2350 Pumping Station, Contract No. SNWA 140-C, is a booster-type pumping facility capable of lifting 36 million gallons of domestic water 218 feet per day. The station consists of the following features: 155 foot by 55 foot masonry block building with concrete tile roof; overhead bridge crane, and evaporative cooling system; 42-inch diameter inlet/outlet piping; 48-inch suction header; 42-inch discharge header; four 6,250 gallon per minute pumps; four 450 horsepower electric motors; pump piping with isolation valves; control valves, and appurtenant piping and equipment; 2-tank surge control system; pressure reducing system; metering system; valve vaults and metering vaults; pump control system employing electrohydraulic operators; resilient seat ball valves for pump control; electrical power systems; supervisory control systems; on-site cathodic protection system; site drainage system including sump pumps; decorative equipment screens; on-site and off-site lighting; on-site paving, driveways, and parking areas; off-site street paving with curbs and gutters including signs and striping; decorative perimeter block wall; landscaping with landscape irrigation system; and disinfection of North Valley Lateral System in its entirety, including pipeline, pump station, and PRV.

The Work is a public works project as defined by Chapter 338 of the Nevada Revised Statutes and all Bidders are required to comply with, and the Contract shall be awarded and administered in accordance with, the laws contained in that chapter.

All Bids must be in accordance with the Bidding Documents on file with the Las Vegas Valley Water District, 1001 South Valley View Blvd., Las Vegas, Nevada 89153.

Copies of the Bidding Documents have also been provided to Dodge Reports, Las Vegas Office. Copies of the Bidding Documents may be obtained from the Las Vegas Valley Water District, Purchasing Division, 1001 South Valley View Blvd., Las Vegas, Nevada 89153. Charges for all documents obtained will be made on the following basis:

Complete set of Bidding Documents (one set of Construction Documents) (includes Specifications [Vol. 1] with one set of half-size Drawings [Vol II])	Charge \$100.00
Complete set of full size Drawings	\$100.00
Geotechnical Data Report (March 1999) (information only)	\$ 50.00

Charges are not refundable.
Checks shall be made payable to the Las Vegas Valley Water District.

Bidders are advised that the Las Vegas Valley Water District and Southern Water Authority have expanded their web sites to include information concerning construction opportunities. Information potentially available includes a schedule of current projects, copies of bid invitations, plan holder's lists, report of bid openings, and project award information. This information can be viewed by clicking on the **Constructions Opportunities** link at the following address: <http://snwa.com>

Pursuant to NRS 624.230, Bidders and all their subcontractors must be licensed contractors in the State of Nevada.

Attendance at a prebid conference, as specified in the Instructions to Bidders, is encouraged. Among other things, information regarding the Project Labor Agreement and its terms, conditions and meanings will be discussed at the prebid conference.

Bid Security in the amount of 5% of the Bid Price must accompany each Bid.

The CONTRACTOR will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract in accordance with Chapter 339 of the Nevada Revised Statutes.

CONTRACTOR and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents. These standards include the employment provisions of NRS 338 (Public Works Projects) and the Project Labor Agreement.

CONTRACTOR and all Subcontractors will be required to provide insurance as set forth in the Contract Documents. This insurance shall include coverages required by NRS 616 (Industrial Insurance) and NRS 617 (Occupational Diseases). The requirements of NRS 612 (Unemployment Compensation) are also in effect.

The CONTRACTOR may be required to enter into an agreement with the AUTHORITY to establish a Disputes Review Board. The intent of the Board is to fairly and impartially provide determinations and recommendations to both CONTRACTOR and AUTHORITY for issues in dispute.

The Work will include a Planning Period commencing with a Limited Notice to Proceed during which certain planning activities will be performed, and various meetings will be conducted, to provide an understanding of the Project.

Pursuant to NRS 338.143, AUTHORITY reserves the right to reject any or all Bids, including without limitation the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional Bids, and to reject the Bid of any Bidder if AUTHORITY believes that it would not be in the best interest of AUTHORITY to make an award to that Bidder. AUTHORITY also reserves the right to waive informalities. Bids will be evaluated as prescribed in NRS 338.147.
