**Transportation Advisory Committee Appointment**  
 The Regional Transportation Commission of Southern Nevada (RTC) is seeking volunteers for appointment to two RTC Advisory Committees: the Citizens Advisory Committee (CAC) and the Older Americans/Disabilities Transportation Advisory Committee (OA/DTAC).

**Citizens Advisory Committee**  
 CAC advises the Commission on issues related to mass transportation, street and highway construction, transportation demand management, air quality and other issues as they may arise.

**Older Americans/Disabilities Transportation Advisory Committee**  
 The OA/DTAC advises the Commission on local transportation issues of interest to senior or persons with disabilities, including fixed route and paratransit bus services.

The CAC and the OA/DTAC are unpaid appointments for a two-year term beginning July 2005. Both committees meet once each month, on the Wednesday before the last Thursday of the month – OA/DTAC at 1:30 p.m. and CAC at 5:30 p.m. Appointment carries with it specific attendance requirements to maintain committee membership. Persons interested in serving on one of these committees should request an application from:

**Maria G. Rodriguez, Planner, (702) 676-1708**  
 or via e-mail at [rodriguez@rtcsonthernnevada.com](mailto:rodriguez@rtcsonthernnevada.com)

You can also download an application from our website at [www.rtcsonthernnevada.com/rtc/committees.htm](http://www.rtcsonthernnevada.com/rtc/committees.htm)

Deadline for applications is May 27.

**PUBLIC COMMENT PERIOD  
 PROPOSED TRANSPORTATION PLAN  
 CONFORMITY ANALYSIS**

The Regional Transportation Commission of Southern Nevada (RTC), the designated metropolitan planning organization (MPO) for the Las Vegas Urban area, is proposing to issue a Finding of Air Quality Conformity for the 2004-2025 Regional Transportation Plan (RTP).

The RTP for FY 2004-2025 was adopted in June 2003 and amended (Amendment #1) later that year. A Finding of Air Quality Conformity on the amended Plan was accepted by the US Department of Transportation on March 17, 2004. A new Finding of Conformity is required because most of Clark County has now been designated by EPA as a non-attainment area for Ozone. A conformity analysis has been conducted by the RTC, based on the projects listed in the approved RTP and its 1<sup>st</sup> Amendment. These documents can be viewed at or obtained from the RTC Administrative Building at the address below. This analysis demonstrates that implementation of the projects included in the RTP will not have a negative impact on air quality. Based on this analysis, the RTC has concluded that the RTP for FY 2004-2025 is in conformity for Ozone and remains in conformity for Carbon Monoxide and PM<sub>10</sub> (particulate matter 10 microns or less).

**Comment Period**  
 8:00 a.m., Monday, May 2, 2005 through 5:00 p.m., Wednesday, June 1, 2005
