

# Youth Served

The talents of local youth were on display Saturday at the West Las Vegas Library Theater. The youth are part of the Performing Arts and Visual Camp for Kids, a nine-year-old program run under the auspices of the city of Las Vegas government and the Las Vegas-Clark County Library District. The summer-long camp's goal is to provide "a pivotal opportunity for Las Vegas area youth to acquire character-building life skills through the integration of an arts education program."
