

Marsalis

one of 17 members of a commission to draft a rebuilding plan for New Orleans.

"What the new New Orleans will look like will come down to who we are and who we want to be," he said, adding that it could be a chance to make "a more substantial commitment to the arts."

"The United States will help rebuild New Orleans because New Orleans has helped to build the United States," he said. "Jazz is and has always been concerned with who we are as Americans."
