

JACK LEONE IS LEAVING HIS CANCER IN THE DESERT.

IN THE SPRING OF 2005, JACK LEONE WAS DIAGNOSED WITH PROSTATE CANCER. HE WAS REFERRED TO NEVADA CANCER INSTITUTE WHERE PRE-EMINENT ONCOLOGISTS COUNSELED HIM AND UTILIZED STATE-OF-THE-ART TECHNOLOGY TO TREAT HIS ILLNESS. THE PROGNOSIS IS ENCOURAGING. PERHAPS JUST AS IMPORTANTLY, JACK HAS DISCOVERED THAT HOPE THRIVES IN THE DESERT.
