*Les Femmes Douze presented its 2006 Alpha Tau Debutantes on Saturday in the Dallas Ballroom at the Texas Station Hotel-Casino. The event's theme was "Once Upon A Time." Started in 1964, Les Femme Douze has graduated more than 1,000 debutantes and awarded more than \$500,000 in college scholarships. This year's class of debutantes included 24 young ladies from throughout the Clark County School District. The photos include pictures of the debutantes (directly above), some of their dates for the evening (bottom left), last-minute preparations (adjacent, left), dance performances and dancing (top three photos) and a debutante supporter (adjacent right). The debutante experience runs eight months and includes work on the part of the young ladies and support from their parents, guardians, families presenters and escorts.*
