An Accurate Glimpse of the Future CRISWELL PREDICTS

CRISWELL PREDICTS . .
WHAT PEOPLE WILL DO!

I PREDICT that the sinister shadow of Stalin still stands behind the coming blood bath among the Kremlin gentry! This new purge will cause the world of decent men and women to become ill at the very thought! . . . I predict that the coming tv spectacular in color with Mae West as "Catherine Was Great" will have the highest viewing rating of the year! . . . I predict that pastel colors will soon be used in mourning and will slowly take the place of the present black, not only in dress for the widow, but also in the casket, casket-coach, family car and funeral home motif! . . . I predict that Queen Elizabeth II will demand a protocol in every corner of the Empire for her Uncle, The Duke of Windsor and his American wife, the

former Wallis Warfield Simpson! . . . I predict that Jack Paar will win the coveted international Comic Award for 1960! . . . I predict that Dr. Adolph Zerner from Paris will soon announce a new type of tranquilizer that can change your personality practically overnight! . . . I predict that a new type of "Open Account" will soon be introduced by local banks in the New York area, where your money worries are budgeted for you, and the bank will act as your Business Advisor! . . . I predict that Elvis Presley will star in the coming film "Johnny Reb" which will be one of the top films of 1960! . . . I predict that the curtain of life will soon fall on one of the great Diplomats of our time! You will miss him when he answers his call to the Golden Shore!

"Thoughts"... To Remember

We have been pleasantly surprised by the amount of mail we have received in praise of the column we ran on famous quotations, culled from the writings of some of the greatest thinkers of the times. We hope to make "THOUGHTS TO REMEMBER" a weekly feature and would be pleased to run any of your favorites, if you will call our attention to them. Just drop us a postcard with the kind of a quotation that especially appeals to you.

"Consider how much more you often suffer from your anger and grief, than from those very things for which you are angry and grieved." — Marcus Antoninus.

"It is not the cares of today, but the cares of tomorrow that weigh a man down. For the needs of today we have corresponding strength given. For the morrow we are told to trust. It is not ours yet." — G. Macdonald.

"Do not judge from mere appearances; for the light laughter that bubbles on the lip often mantles over the depths of sadness, and the serious look may be the sober veil that covers a divine peace and joy. The bosom can ache beneath diamond brooches; and many a blithe heart dances under coarse wool." — E. H. Chapin.

"Be calm in arguing; for fierceness makes error a fault, and truth discourtesy." — Herbert

"He who establishes his argument by noise and command, shows that his reason is weak." — Montaigne

"The object of art is to crystallize emotion into thought and then fix it in form." — Delsarte

"Man ought always to have something that he prefers to life; otherwise life itself will seem to him tiresome and void." — Seume

"That which is striking and beautiful is not always good; but that which is good is always beautiful." — Ninon de l'Enclos

"The power of applying attention, steady and undissipated, to a single object, is the sure mark of a superior genius." — Chesterfield

"To write well is to think well, to feel well, and to render well; it is to possess at once intellect, soul, and taste." — Buffon

IN AN unprecedented booking... even for FABULOUS Las Vegas, the FLAMINGO HOTEL has booked the great, PEARL BAILEY and her Show into their Flamingo Room for SIXTEEN WEEKS! This is a great testament to her popularity and drawing power.

Pearlie Mae has always been one of the Flamingo's great stars and by letting her put together her own show and doing it Pearlie's way it should turn out to be a golden bonanza for prexy AL PARVIN and his associates. We can go back a long way with Pearlie Mae and we always remember her as not only a top talent but as a great Lady. Her wonderful wit is not just put on for the benefit of an audience but is a natural part of her and someday someone will follow her around with a pencil and capture her sayings for posterity. We assure you it would make a hilarious book.

We believed that when the MINT purchased the Bird Cage it was done to enlarge their Mint Club... perhaps just break the wall down that separates the two clubs and make them one. We were wrong. It seems that the entire Bird Cage is being torn down and a new building and addition going up. The new place will feature a Steak House and within a few weeks, when completed, it will be one of the largest clubs along Glitter Gulch. They also plan to eliminate doors and install the world-famous

Air Curtain... the largest anywhere! Of course, we must add that the LUCKY STRIKE Club pioneered the Air Curtain and it has worked with such great success that their cousins across the street are in favor of it also.

Our FLV has become so International because of the influx of foreign talent and the appearances of great Stars of the entertainment world who have appeared in other countries, the subject of great restaurants and great food is a constant one. More and more we hear raves for PETE GAGLIARDO, the Chef and co-owner of NEW COPA LOUNGE. We have heard some world-famous gourmets describe Pete's Sicilian specialties as comparing to the most appetizing and delicious kind of cooking to be found anywhere.

It's like Spring house cleaning. All the town seems to be in the throes of remodeling and repairing. Now, it's the WESTERNER Club. The remodeling should be completed this weekend... at most the next. We are happy to say that CHEF LEONI who introduced Italian food to the Westerner will be back among the pots and pans. JOE HART, owner of the WESTERNER, is one of the busiest men in town for he wants the entire job done by the first of April... and that's no fooling!

If a vote were to be taken by the Strip personnel and the Rounders as

"LOUNGE STARS"

By MARILYN B.

THE BIG event this past week, took place in the CASBAR THEATRE of the SAHARA HOTEL. It was the 10th anniversary of THE MARY KAYE TRIO in the Sahara. To celebrate the event, The Trio came in with brand new material that had the packed room begging for more. NORMAN KAYE and FRANK ROSS do an impression of Louis Prima and Keely Smith that darn near brings the roof down. Frank does the Louie Prima part and of course, Norman, with the aid of wig, skirt and sweater does Keely. If you have seen these two, Frankie and Norman, in action, you know they never do the same performance twice in a row, so the crowds keep coming back to see how many variations these two can do on the famous husband and wife team. Offsetting the ridiculous, the wonderfully sublime, MARY KAYE, does a particularly beautiful job on the tune "Misty." This Errol Garner song hit sounds like the lyrics and music were written with Mary Kaye in mind. Take our word for it, it's worthwhile going to see the trio just for this, the comedy is an added bonus for the Trios many devotees.

Not content with knocking himself out in the SAND'S COPA ROOM, doing his marvellous shows, JERRY LEWIS took his comics on stage in the COPA LOUNGE and joined NORMAN BROOKS for a long ses-

sion there.

DUKE ELLINGTON and his great show continue to pull in the crowds to the RIVIERA HOTEL'S STAR-LIGHT LOUNGE. The Duke has so many great names in the Orchestra and show that it's difficult to single out any particular stars. We are particularly enthusiastic over the vocal shadings of LILI GIGI, who does a standout job on the classic "I've Got It Bad." Violinist RAY NANCE brings the crowd to attention with his tongue-in-cheek singing of "Treat Me Sweet and Gentle." In addition Ray does some wonderfully smooth dancing. One of the big moments in the show is the comedy of STUMP and STUMPY. These two, clown and mimic to their hearts content, which means that if you like to laugh, you'll do so to your hearts content.

Held over in the Sahara's Casbar Theatre are RAY ANTHONY and his Sextette. Ray has a new Capitol Album out, entitled, "Like Wild," which it is!

BILL MILLER, boss man of the NEW FRONTIER, was caught without a replacement for DAKOTA STATON who had to leave the Cloud 9 Lounge to fulfill a contract with Fack's in San Francisco. The replacement? ANITA O'DAY. That's pretty good replacing. Along with the sensational Anita, THE TRENIERS have

THIS IS how the sweet little girl on our cover (yes men, they're both sweet, but at the moment we're talking about the little blond girl) came to be named "Miss Antartica." Our local Lions Club, "The 49'ers," knew that there are Lions' Clubs everywhere but the South Pole. And so they got in touch with the scientists and personnel in Antartica. The new Lions' Club is named "The 59'ers" and made their project the writing of letters to crippled children postmarked from the SOUTH POLE. Sort of a Southern based Santa Claus.

The 59'ers in writing to their Lion friends in our city, had them choose a little girl to represent them for the Easter Seal Drive and that's how little JANI COUTURIER became one of our cover girls.

Incidentally this year's Easter Seal Drive is spearheaded by General Chairman ROBERT BROWN from HENNY PENNY EGGS. The Publicity Chairman is AUSTIN BOWLER and the Financial Chairman is MR. BRADSHAW who is President of the 1st National Bank on 15th and Charleston.

We certainly want to congratulate our former staff member RUTH JULIAN for her wonderful organizational abilities.

Have you noticed the similarity between car buyers and male shoppers? The standing joke about car buyers is their kicking the tires on cars. I noticed that men shopping in a clothing store use the forefinger and the thumb test on material.

During my weekly visit to CASUAL-AIRE it seemed to me I was receiving fierce stares from MICKEY FISHER and icy disgust from BERNIE SCHULTZ. It seems I was running true to form and had absent-mindedly pinched the yarn on over 50 suits. Their smiling associate LENNY BRODIE came to my rescue and presented me with a velvet thumb and forefinger cover and I can now pinch suits to my heart's content.

DELPHIN THURSDAY "Miss Hawaii" and also on this week's cover, her husband WALTER and daughter GEE GEE, talked to Delphin's Mother MRS. POAHA (means Thursday in Hawaiian) in Honolulu Sunday afternoon (March 20th) for over one hour through the courtesy of two ham radio operators. One operator is VINCE SHANK who plays trumpet with the GEORGE REDMAN ORK at the SILVER SLIPPER, operating K7 JER and the other operator was HANK CRAMER of DOYLE PINEAPPLE in Wahi Awa, a suburb of Honolulu, operating KH6DEH.

International battle lines are taking fancy form along the Strip in this desert playground. In a direct assault on the many imported nude shows being staged along the Gaze-A Strip, Hotel Sahara has unlimbered a battery of American beauties to back-

I GOT A very nice letter this week from a fellow by the name of Ron Adams who lives way up in Calgary, Alberta, Canada. Seems he ordered one of my HILLSWAY'S GUIDE TO LAS VEGAS books and wrote to tell me how much he enjoyed it, all excepting he thought I slanted it too much toward the Westerner Club. I readily agree, but at the time I contracted with George Arquilla to do this book and he was to publish it, he and his partners had hopes of rebuilding and enlarging the Westerner Club and were to have had a grand opening at which time I was to be the "star of the show" and be there in person autographing the book and giving all who attended the grand opening a free copy. The best laid plans of — you know the rest of the old saying, often go awry, and this plan did too, through no fault, I assure you, of George Arquilla or myself. As it is I think the book has given much happiness to those who have copies of it. This past week I sent out a copy of the book to each one in the book together with my personal certificate of recommendation.

But to get back to Ron, he tells me at length about their wonderful CALGARY STAMPEDE and invites me up to it. I'd give my right arm to be able to go. This STAMPEDE rates number one on this continent and

next comes our own Pendleton Roundup out in Oregon. Ron tells me that last year over 100,000 attended and the city's guests were Bing Crosby and Gene Barry. This year Roy and Dale Rogers are to be the guests of honor. Hope Roy's recent orders from his doctors to lay low and take it easy so as to avoid serious heart trouble won't stop him from making the trip. Ron, I have always heard that the CALGARY STAMPEDE rates as the number one rodeo attraction on this Continent so I hope your remarks that it rates that way everywhere in the free world excepting by the United States, are not believed by too many. I know very few United States Citizens who feel adversely toward your great country. In fact, I think everyone down here feels you should join us — then wouldn't we have the very greatest country on the face of the earth without a question.

Spent a glorious evening last Saturday down at the REEF RESTAURANT on the Long Beach Harbor where Ralph Fulton, the Asst. Mgr., took great care of us, assisted by Everette Boyette who is the Maitre D'. Sitting out in the open under the stars and palm trees, hearing the waters of the bay lapping against this man-made peninsula that is oil rich, and watching the millions of lights of Long Beach across the way, is an ex-

to who is the most bombastic singer of songs currently appearing in a Lounge in Strip Hotels . . . we'll wager that RENEE RENOIR'S singing with the LUIS CASTELLANOS Group at EL RANCHO VEGAS would win by a Roosevelt landslide. Gal can really belt a song and when she winds up on Latin tunes . . . Look Out! The roof may cave in from the gyrations and bounce of Bombshell Renee.

We know a little lady in our town who is due for a big surprise from her Daddy and Mommy. Lovely Barbara Drew, 9 year old daughter of JOHNNY and JEANNE DREW, is 9 years old today, April 2. Our congratulations to Barbara and best wishes for a very happy birthday. Her Dad is "Big Brass" at the STARDUST HOTEL.

LOU MILLER and his lovely Frau left town last Saturday (March 26) for San Francisco. In San Francisco, they board a luxury liner and shove off for a month's Hawaiian vacation. They also spent last year in the Islands and loved it so much they hope to repeat the trip annually. Lou is swing shift boss at the SAHARA HOTEL.

May we suggest, next time you are visiting the Strip, after seeing a show or two or watching some of our Lounge shows and you'd like to relax a bit before going home . . . Stop into the SANS SOUCI HOTEL — we guarantee you'll feel like a million. Why? Because of the nice, relaxed atmosphere and the dancing and the many little things that JOE MEDURE has done to make this a wonderful place to stop off and have a good-night toddy or just a dance. Joe Medure is a fantastic Industrialist from Newcastle, Pa., who is the Top Brass of the spot. Stop by and say hello to Joe and also his brother, ANGELO; you'll not find two nicer people, anywhere.

A voice like a breeze rustling through the willows. That's the nearest you can come to describing the dulcet, vocal offerings of NAT KING COLE. If he is playing the piano in a blue mood or singing in a light style, what comes across is exactly the feeling that Nat intends to project to the audience. You are there in the SAND'S COPA ROOM, you hear, you see but it is still hard to believe the beauty and emotion

potential for greatness any one entertainer can hope for. It's our bet that EL RANCHO owner BELDON KATLEMAN has picked a big winner in the FLV talent sweepstakes. . . . The beautiful HELEN GRAYCO makes one of her too infrequent vocal appearances in the OPERA HOUSE. Without benefit of cannon shot or caliope she presents a luscious voice projected by a figure of the same description. Helen knows her way with a lyric and her way is our way. We're enchanted. . . . The clever MONTE PROSER production features beautiful girls, clever ELI BASSI material and the fine backing of DICK RICE and his Orchestra. A wonderful Spring Show from Katleman Korner.

lar and more. As soon as you get accustomed to the completely different and brilliantly colored and patterned costumes you settle down to watch a most interesting and unique stage presentation. . . . The clever effect of this package is transmitted in many ways. From the widening of the stage with brilliant, neatly placed panels of lanterns and sliding shoji screens to the striking colors in the beautiful silk kimonos and the intricate music and choreography in the production numbers. . . . Every phase of the show flows smoothly, from one production to another and through each of the acts. . . . Singing star JIMMY POR GAS sports a very impressive voice and excels in love ballads sung both in English and native Japanese. . . . RIE TANIUCHI brings down the house with her modernistic dancing. . . . A baseball satire and tap dancing by the fleet-footed and rhythmic STRING BROTHERS are other highlights sandwiched in be-

tween the vivid productions. . . . Stage settings and costumes are eye-opening at every turn. . . . Woven tastefully into the productions are a string of as beautifully bare-chested lovelies as have ever been seen locally. . . . NAT BRANDWYNNE and his ORCHESTRA rate reams of praise for the magnificent musical accompaniment through the entire show.

RIVIERA

(Continued from Page 20)

As it is presented on the stage of the RIVIERA HOTEL'S Versaille Room. What at first sounded like off-beat booking, turns out to be a perfect vehicle for the first of similar, legitimate, stage offerings to be presented in the Riviera.

The play, which concerns itself with life in Hong Kong, and expressly, a girl in a Brothel in love with an American, is excitingly played by the professional Broadway cast. As the story unfolds, it provides highly emotional experiences for the audience. There are tears for the tragedy inherent in the East meets West kind of romance with the inability of the American boy to overcome the moral problem so foreign to his Western upbringing. Conversely, the basic humor that consistently springs from much of its locale, the "House" is wonderfully developed and does much to relieve the emotional strain as it develops. This is a play of maturity and of reality. . . . truly for the adult. . . .

The entire cast rates accolades, with JERI MIYAZAKI, TOM HELMORE and ROBERT ELSTON doing an outstanding job with the leading (and extremely demanding) principal roles. . . . Without a doubt the success of this play presages a new area in FABULOUS LAS VEGAS show business and the nightly crowds prove the astuteness of the Riviera management in being the first to present the great living theatre in the desert.

the way. . . . Not a girl, but strictly in favor of them, comic DAVE BARRY, keeps the crowds laughing with his straight-from-the-shoulder nonsense. It pays off in excellent response from the Barry fans . . . all of us! Jumping, leaping wildly and sliding across the stage, the 4 STEP BROTHERS provide the visual excitement in their execution and rhythm of the dance. . . . MORO-LANDIS has staged a wonderful production for the SAHAREM DANCERS called "A Salute To Irving Berlin." The music is splendidly balanced under the capable baton of LOUIS BASIL and his ORCHESTRA.

evoked by this one great entertainer. It's an experience to be shared. . . . CORBETT MONICA has definitely established himself as a comic with a feeling for the human element in comedy. Of the non-violent school of comedy Corbett uses every-day situation type humor to keep the audiences howling. It pays off, as anyone who has joined in the fun with the daffy humorist will attest. "The Most Beautiful Girls in the West," haven't changed . . . they are beautiful and talented. The production is colorful and light and their dancing skills continue to make these beauties one of the most delightful chorus lines in Las Vegas. The music, under the direction of ANTONIO MORELLI, continues to show the brilliance and sound of a Concert Hall Orchestra. The addition of JEANNIE and JANIE BLACK is a stroke of genius for the concensus is that these lovely and vivacious young vocalists are destined for early stardom. . . . The nimble fingers on the organ keyboard belong to charming ORRIE CLARK, who pleasantly fills the interludes with music pleasant, music sweet and above all . . . music. . . . shows the Silver Slipper has presented in years. Producer EDDIE FOX has finally presented the first real Beatnik number on the strip and the SLIPPERETTES make the most of it. . . . Miss Hawaii is a true Island beauty and enchants the audience with songs from our brand new State. . . . The highlight of the evening is the LOUIE PRIMA-KEELY SMITH impressions as performed by comedians HANK HENRY and SPARKY KAYE. TURA SANTANA, who won the title "Miss Japan Beautiful," presents in her act the reason for the title which could be renamed "Miss Body Beautiful." George Redman continues to make his ORCHESTRA sound like little giants and his men perform with "tongue-in-cheek" enthusiasm.

doubt, the show that turned FLV into the cosmopolitan show-place of the world. . . . True to the French tradition, this Parisienne "parfait" features GIRLS! GIRLS! and GIRLS! . . . Showgirls, dancers, the famous BLUE-BELL GIRLS and an inspired group of Gallic dancers, provide the audience with a breath-taking panorama of Continental charm. . . . Provided as a background for this splendid "spectacular" are sets of such color and magnificence as to stagger the imagination. Giant waterfalls, displays of fireworks, the excitement of the French Revolution, are but a few of

the production numbers cleverly conceived to make you feel as though you are a participant in the history of France. . . . As though this were not enough, a great array of European talent is blended into the show to provide the fullest measure of entertainment. The brilliant dancing of the BALLET ALARIA company; GINO DONATI, opera singer and comedian; ice skating queen, MARGIE LEE; the songs of BEVERLY RICHARDS, JOHN JULIANO and JACK RAINS, are but a part of the cast that perform in this amazing show. . . . The music for the entire production is under the direction of EDDIE O'NEIL, who guides his Orchestra through a most interesting and vibrant musical score. The entire show is a tribute to the skill and knowledge of Parisienne Producers PIERRE LOUIS-GUERIN and RENE FRADAY and DONN ARDEN who staged the entire production.

Here are some of the most beautiful and leggy dancers, showgirls and mannikins ever seen in our Country. The entire show is a panorama of color and a spectacular in the truest sense. . . . be a pleasure in 1960! . . . The coming boom spot on the West Coast will be the Metropolitan-Oakland area, where four million people live in the San Francisco Bay counties. Such cities as Alameda, Albany, Berkeley, Emeryville, Fremont, Hayward, Livermore, Newark, Oakland, Piedmont, Pleasanton, San Leandro, and Rural Alameda County, California all face a growing boom within the next six months! . . . Cessna is quietly building a personal plane for the personal use of businessmen! These planes are simplified in design, action, and can be easily piloted! If you can drive a car, you can fly a Cessna! . . . Your local Rotary club will plan a 3-R Campaign! (1) Repair your home — take

pride in your property. (2) Replan your neighborhood — take pride in your neighborhood and (3) Renew your community — take pride in your community! . . . Red-organizers are gaining considerable strength in Columbia where they are increasing sympathy for Communist causes! Over three hundred and seventy-five thousand men and women personally harvest coffee. In the six coffee capitals of the world, coffee is used in a barter system and is known by the natives as "Mountain Gold."

TRENDS IN YOUR FUTURE!

Your telephone company will soon stop printing their millions of dollars worth of telephone books! A recent survey showed that 99 out of 100 people find it easier and quicker to dial 113 (or whatever the number is for information) than to stop, search through a pile of telephone books, find the right one, and then begin the search for the number! It will cost the Telephone Company far less to increase their number of employees

I predict that electronic automation will sort out the number you want automatically and project this information to your operator almost instantly! . . . "Cinerama" and "Cinerama Holiday" have made money, but soon you will read in your papers that the special equipment that was required to put this new type of film across will be at a standstill until a portable set can be perfected so that small towns can be played! . . . Children will be the favored few of tomorrow! Elementary School Instructors will be happy with the new remote control wall maps! When discussing a certain country, or giving a lesson in geography, the instructor will merely press a button, and the particularly country, state or town will light up! This will not only add interest to what the youngsters seemingly find boring, but will simplify the teacher's effort as well!

been held over for another month. Easy riddle. What swings in April? Answer . . . The Cloud 9 Lounge, obviously.

BILLY & LILLIE of the DUNES' SINBAD LOUNGE really bounce when they are on. Of course, the beat that BILLY FORD'S THUNDER-BIRDS provide has a lot to do with it. The popular recording stars for the SWANN label have a new record out that has the sound of a hit. It's called "The Ins and Outs of Love." The tune on the other side of the record sounds like the answer to its companion . . . "Free for All."

Any evening when your nerves seem kind of jangly, don't take a tranquilizer. Run up to the LADY LUCK LOUNGE of the DESERT INN and listen to MICHAEL KENT and his GOLDEN STRINGS. These strolling virtuosos of the violin are guaranteed to soothe anyone's disposition.

who are starring in the STARDUST LOUNGE have just been signed to appear in the Edgewater Beach Hotel this coming summer. These bouncy, Korean cuties are almost as popular in the Chicago area as they are here.

BETTY HUTTON, who has taken a breather from her popular TV series was in the Sahara this week to take in the shows. She's due to make a Congo Room appearance May 10th.

FRANK (Peewee) MONTE has re-joined the HARRY JAMES Band at the FLAMINGO'S STAGE BAR, as Band manager. It's been eight years since he held the very same position.

GEORGE HERNANDEZ, who's building a big following for himself at the STARDUST, took off during a

Sunday night intermission to make an appearance on JACK KOGAN'S popular Channel 13 show.

One of our Hollywood correspondents tells us that Harry Ackerman of Screen Gems is determined to find a TV series for SHECKY GREENE. This popular comic-star of the Tropicana's Show Bar should make a tremendous TV personality. He's photogenic and FUNNY!

SCOTT BRADY, the movie star, THE EDMOND SISTERS from the STARDUST and JERRY COLONNA were among those in attendance at the MARY KAYE TRIO'S midnight show Sunday. By request Mary and brother Norman did the beautiful Hawaiian Wedding Song.

The PLAYBOYS are still making with the comedy and music in the RIVIERA'S STARLIGHT LOUNGE, but they must soon leave for the East. We understand entertainment Director SAMMY LEWIS has got them buttoned up for a return engagement ... which is good news for their local fans.

Staging the startling line numbers with "The Most American Girls in the World" are GEORGE MORO and RUTH LANDIS, who gathered their company of 16, including a dozen lovely line and statuesque showgirls, from all corners of the country.

Behind the innovation is MILTON PRELL, executive director of HOTEL SAHARA, who preferred to "Buy American" and who has come up with a dozen domestic dandies that freshen the Congo Room. In another twist that is almost unique along the Strip, the SAHAREM AMERI-

EMILIO, EL RANCHO VEGAS maitre d', and his able captains deserve a big hand for their handling of the MESQUITE CLUB fashion show recently — in fact two shows which they held on the same day to take care of the large crowds.

Be sure to watch the Oscar Show on Monday night, April 4th. FLV's own SAMMY DAVIS JR. will be singing the Oscar nominee "High Hopes" and will be backed by a children's chorus.

MARY ANN McCALL, reputedly the last of the "singer's singer," opened in the THUNDERBIRD HOTEL Lounge March 29th. MISS McCALL, one of the greatest singers in jazz and legend unto herself in the business, is wailing up a storm.

JACK ROSS and the DICK LANE QUARTET are receiving the "plush" treatment from Roulette execs for whom the group just recorded their first album.

The NEW FRONTIER'S successful "Holiday in Japan" has added im-

petus to their success status by virtue of the fact that they lay claim to being the only Las Vegas Hotel presenting three shows every night of the week.

Husky DOUG FORD, of Crystal River, Florida, will be making his sixth appearance in the \$40,000 added Tournament of Champions on May 5-8 at the DESERT INN COUNTRY CLUB.

A new venture for M. D. CLOSE the well known local business man. He has started THUNDERBIRD TRAILER SALES on Fremont Street. He has appointed RAY GOODMAN Sales Manager whose first promotion is in the nature of a contest. We suggest that you take a run over and see them for the details.

BOBBY BAGNI was in town for a while from New York visiting his Mother and Dad. His Dad is ANDY BAGNI who plays with the JACK CATHCART Orchestra at the FLAMINGO HOTEL. BOBBY is single, 23 and handsome! He loved Las Vegas and is eager to come back soon.

perience I urge everyone of you to have and soon. After drinks out in the patio with its many, many, luau torches burning, the sail boats rocking in the surf below, and hearing nice Hawaiian music, we went inside and had a wonderful dinner served very nicely by Tino, our waiter. The food is excellent here and exotic. I am sure the REEF now rates as the most beautiful eaterie on the west coast — and in Long Beach, no less, that hasn't much else to offer — the REEF rates that way in my book anyway.

Had a long letter from Bill Wolf from St. Paul who said he had just been a guest of the Winter Carnival in Whitefish, Montana. He said it was without a doubt the finest of its kind and the hospitality of this far north community couldn't have been greater. He urged me to attend this affair next year and said that one of the people way up there takes FABULOUS and that the whole town had read the recent HILLSWAY column telling about their queen being at the Winter Carnival in St. Paul. I was surprised to hear that our FABULOUS goes to such a far away small place on the Canadian border.

My Ninth Edition of HILLSWAY is now in the hands of the printers and I am awaiting proofs to read — will be finished in a month or two. In the meantime I am busy as all get out prior to taking off for Minnesota and

the opening of my summer place around the first of May.

Was called in by the Vets Administration today for a physical examination and so spent a couple of days over at the Los Angeles Athletic Club — my club, and one of the finest in the land. I surely like to stay there, take advantage of their wonderful steam and massage rooms, their fine barber shop, and dining facilities, as well as sun bathing on the roof. Wednesday night they held another in a series of their ROUND THE WORLD DINNERS with a Caribbean Buffet Style dinner complete with a Calypso Singer. The Pan American Airways showed several reels of beautiful pictures taken all through the Caribbean Islands. I realized after seeing these pictures that I have missed much down there and will have to go back again soon — made me heartsick to see the beautiful pictures of Havana and then to realize what Castro has done to it. The way we are handling the Castro problem is a blot this present Administration will never be able to live down. It is a disgrace that we allow him to do what he is doing to us without even a murmur of a protest on our part. WHAT ARE WE AFRAID OF?

N.K. Realty opened its doors and they have accomplished business miracles. Since January of this year they have already surpassed the 2 million dollar mark in sales. Their latest triumph was the sale of the Tropics Motel on the Strip. BERNARD POSIN was the demon agent for this. He's a V.P. of the firm. Yes, it's the same Norman Kaye of Trio fame. He's 1/3 of the famous Mary Kaye Trio now holding forth in the SAHARA'S CASBAR LOUNGE.

HOUSTY'S VEGASBAR has become just that. As of last week Housty engaged a trio from here in FLV and is all out to give his customers a Las Vegas in California . . . without gambling, of course. He has brought in the wonderful DARRYL ROGERS TRIO, who are well-known here. Whenever you are on the road to or from Los Angeles make it a point to stop off in Riverside, Calif., and visit

Housty's . . . you'll be in for a real pleasant surprise.

We always know when a show is a hit in town. We don't have to go out and check attendances or ask around — we have a better method. As for previous successes like the LIDO Show, La PARISIENNE, The FOLIES BERGERE and others we suddenly get phone calls from our out of town subscribers asking us to make reservations for them. We don't know how they find out, but so far they

So, the word is out and we hope that this is the first in a long-line of this type of entertainment for FLV. It's true, Riviera's President BENNY GOFFSTEIN has hit pay dirt with this type of entertainment.

Speaking of Benny Goffstein reminded us to send along belated Birthday Greetings to his good friend, JOAN CRAWFORD, the lovely motion picture star and most charitable lady. Her birthday was on March 23rd. We send along our most sincere

CHARLIE SHELTON, owner of the ROWEL, hopes to open another spot real soon in the new FARMERS MARKET across from the STARDUST. The Arcade is really starting to shape up in the Farmer's Market with the "SMART SET," WALTAR CLARKE'S and Little Willie Gordon already in and taking care of the curious visitors who have already stopped there.
