WE WISH to take this opportunity to welcome a new advertiser to the FABULOUS fold, but more than an advertiser we think you should know something about the young, cleaning tycoon that is responsible for the business. SID HUDSON should be one of the most well-known names in Las Vegas, but his modesty has kept his talents hidden from you, the public. Sid runs one of the most successful cleaning services in the Nation. It would be a good bet that at one time or another you have partaken of his excellent cleaning service and didn't know it. For many years Sid has done all of the valet service for the hotels on the Strip. In addition he has valet services available in the leading transportation terminals on the West Coast. Of all the services, of similar nature, his was chosen by the Government to handle the complete cleaning and laundry for Fort MacArthur. Now, that's his business side, but for his personal nature we feel he ought to be named Mr. Las Vegas. Every year, at Christmas time, Sid arranges a Christmas party and distributes over a thousand pairs of new shoes for anyone in need. This is but one of many charities he handles here in FLV and only because we're afraid he would conk us for naming them all do we hesitate to write about his long list of good works. Let's just say that he is one of the top boosters for our city and the kind of man that each and

every one of you should want to meet. We wish him great success in his latest venture, the opening of two more Cleaning establishments in FLV. We are proud to be associated with him.

Put this date on your calendar now. On Saturday, April 23rd, the Alpha Kappa Chapter of Betta Sigma Phi is having their Spring Sorority Ball. It will be held in the Gold Room of the Convention Center and will certainly be an affair to remember.

JACK BRANNON, bar manager at the SHOWBOAT, had a recent close call. Wednesday, March 30th, Jack and MR. and MRS. FRANK WEBER with MR. and MRS. ZEKE CAMPBELL were enjoying a fishing trip on Lake Mead when a gas shortage, due to a leak, set them adrift on the Lake. The boat was washed ashore 35 miles from Vegas Wash. After walking 12 miles darkness set in and they had to huddle in the eerie night until 6:00 a.m. when JIMMY GRAY, a bartender at CHARLIES BAR on S. Main St., heard their call for help and rode them back to safety. Jack is still mourning the lost boat, but feels lucky to have come away unscathed.

One of the blessings of Las Vegas is the ability to get almost anything you might need during the hours when other cities are shut down. We refer to shops like KATHLEEN O'NEE, whose exclusive Francisco Square shop for ladies is open evenings. She has such breath-taking styles and colorful clothes that she

has to be open evenings so her female clients can ooh and ah to their heart's content.

Our ace salesman CLIFF LEAVITT came rolling in Tuesday morning with the most satisfied look we've seen in a long time. We had sent him out the night before to attend a banquet honoring the Strip Maitre D's. The party was given by SAM D. HECHT of the Las Vegas Distributing Company and ANDY FAVA, co-owner of ANJOE'S. The menu contained such items as Filets of Dover Sole Au Champagne, Minnesota Milk Fed Saddle of Veal, Prince Orloff and a complete variety of appropriate wines and champagne. So, for the next few days if a tall, thin man with a bass drum stomach comes into your store, that's our satisfied Cliffie.

We were sorry to have missed the VARIETY CLUB'S GIN RUMMY Tournament last Sunday, however we heard through chairman JERRY HERZBERG that it was a huge success. More than \$1000 in prizes were distributed.

That was a wonderful publicity stunt the new VIRGINIA CITY restaurant pulled last Friday. Had a real Virginia City Stage arrive from the North to officially open their restaurant. DAVE DURAN and CHARLEY OTTENHEIMER should be congratulated.

Belated congratulations to MR. and MRS. PRESTON FOSTER. This famous couple celebrated their 14th wedding anniversary April 2nd. The famous motion picture and TV star

RECENTLY we have been receiving quite a bit of mail from out of town entertainers regarding their chances for work in a Lounge in FLV. They turn to us, I guess, because they feel we are close to the trend up here. While we have absolutely nothing to do with the placing of acts in the Hotels here we do hear from the entertainment directors and many times, their reasons for booking a group. It seems to us that one of the main assets is a good, live-wire agent who really believes in his clients and of course, their talents. Next, it's most true that the group be presentable as to appearance . . . attractive clothes are a must! Talent wise an investment in arrangements and some special routines are a definite plus as more and more musical-comedy groups are finding their way into our best hotels. An attractive and personable girl vocalist can make the difference in selling the group. And last but certainly not least, a conscientious approach to the job can keep a group going where other, possibly more talented groups, last only a short while. Just recently, a very famous Jazz group had their option turned down because the leader thought no one was paying attention and so he took things easy during a set. As it happened, one of the owners WAS watching . . . and it was "so long" to them. Like any

business, a group should look over the field and then tailor his group to some specific need and then have your agent point for the job. Anyway that's how the working groups approach it here.

Next week marks the close of the highly successful PLAYBOYS who have been appearing in the RIVERA'S Starlight Lounge. They immediately head for the East Coast to do a recording then open in Wildwood, New Jersey on Memorial Day where they'll appear through Labor Day.

Happy go lucky JOHNNIE "SCAT" DAVIS is back in the Casbar Lounge at the SAHARA HOTEL after an eleven week absence. He's been up in Reno and has just recorded a new King album titled "Here's Looking at You."

After seeing RED NORVO at the Copa Lounge in the SANDS HOTEL, it's easy to see why Red and his "vibes" are always among the top of the lists in Downbeats annual awards.

DELLA REESE, who is due to open soon in the Cloud 9 Lounge of the NEW FRONTIER HOTEL, looks like she'll open with another record hit going for her. The new one is called "Someday."

Our good friend BOBBY PAGE has finally come home to us. He is now in the Topaz Lounge in the THUN-

Another favorite of ours whose been up North, is TOMMA JEAN. In our estimation TOMMA is one of the better pianists around. You can tell by the audience reaction in the Casbar Lounge at the SAHARA.

Also in the Casbar and celebrating their 10th Anniversary there, are the MARY KAYE TRIO. Although I love their comedy, I'd like to hear NORMAN KAYE do a straight version of "Ebbtide." They leave here April 25th and go in for three weeks at the CRESCENDO on the famous Sunset Strip in Hollywood.

We're sure sorry to see the CABALLEROS leave the DESERT INN'S LADY LUCK LOUNGE. They have had so much success with their record album "Viva" that they have had to fulfill other commitments. Meanwhile the JULIUS KLEIN QUINTET replaces them.

BILLY and LILLY are still swinging up at the DUNES SINBAD LOUNGE. Wish we had gotten there sooner, they are great to listen to. They record for SWANN records.

All is smiles with HARRY JAMES up in the FLAMINGO. If his notes sound sweeter, it's because his lovely BETTY has opened in EL RANCHO VEGAS.

Having always thought of JERRY COLONNA as primarily a comedian it is always a surprise that he is such a fine musician. Don't take my word for it, hustle up to the TROPICANA and listen to his fine Dixie style.

We thought that with a name as interesting as THE PETER HANK DUO, we'd have to investigate them and see what they had to offer in the way of entertainment. What we found was two very warm and friendly men playing the drums and organs. What we heard was an entirely new experience for us. If you're skeptical about people who say that two instruments can't possibly sound like three or four, then listen to this duo in the Cloud 9 Lounge of the NEW FRONTIER HOTEL.

With ED BECKER

WHEN a person has any connection with the entertainment business, one of the most frequent questions he is asked is, "What is so and so really like?" Usually referring to some big name star. Well, who knows what anyone is really like? Some husbands don't even know what their wives are REALLY like. All we have to go on is a good memory and the particular side the performer wants to show us.

All this has come about due to the recent publicity FRANK SINATRA has gotten because of his hiring a screenwriter named MALTZ to write Frank's upcoming picture. Many of our friends and a lot of Frank's enemies have been quick to jump on this guy Maltz because of his affiliation with the Communist party. Almost everyone condemns this man and feels Frank is doing the country a disservice by hiring Maltz. Mr. Sinatra needs no defense from me. Although many of his tiffs with newspapers have made him a target, he does not deserve to be found guilty by association.

In our experience, whenever we needed a favor or wanted Frank for

a charity affair, he was quick to give of himself. His February show for The Four Chaplains memorial is a recent point in his favor. These and other beneficent acts indicate to me, that Frank delights in creating a picture of toughness that is belied by his generosity to anyone or any cause in need.

We might point out that primarily, Frank Sinatra is in the entertainment business and what he is doing can only be laid to the fact that he hasn't looked at the man Maltz to what he can contribute in the way of putting out a top-flight script. We feel Frank is a master of entertainment values and feels he has hired a man to protect his feelings — but also if the man doesn't measure up — we know that he will be removed as quickly as any other screenwriter. If you have any doubts, just remember how much his entertainment values has done to make Las Vegas a world-renown entertainment capital.

Before anyone hastens to judge Frank they should remember the man who did "The House I Live In" which will always remain a testimony to Frank's faith in his fellow man and his country.

Incidentally Frank and I have never been personal friends.

We just received a note from our good friend, GEORGE LIBERACE. He has just opened with his Orchestra in the Cinegrill of the HOLLYWOOD ROOSEVELT Hotel down in you-know-where.

For the sake of your health and well-being we suggest you take advantage of the mobile chest x-ray unit that will be in our area though April 13. The unit is capable of taking 100 to 150 pictures an hour, so it might be well worth your while to have

As yes, things are tough all over. **BILLY WARD**, multitalented leader of the famed song and dance **DOMINOES** has just had his business affairs taken in hand by an oil magnate and a rancher. They are **DR. DEL KARVIN** of the San Fernando Valley and **JACK SIMON**, a Studio City business man. If you want some oil tips Billy opens in the **DUNES SINBAD LOUNGE** on May 12.

DELFIN THURSDAY, the lovely Hawaiian songstress of the **SILVER SLIPPER** (our Cover Girl last week) leaves April 23rd for an engagement at the **ROYAL HAWAIIAN Hotel**. It will be a great homecoming for Delfin, but alas, she's such a charmer we'll all miss her. How do you say Aloha in English?

Speaking of the Silver Slipper, that was a boat parked there the other night. It belonged to the Greek Commodore, **JOHNNY PAPPAS**. Johnny is the handsome doorwatcher (Skipper) of the show room. Johnny is a

speed boat racer and he was all ready to take off after the last show for Bakersfield, California and the races.

It's also Bon Voyage to Nat Cole, one of our better known **SANDS** stars. He's off for a month's stay in Europe.

The ever-charming **GORDON** and **SHEILA MacRAE**, who are doing the entertainment honors at the **DESERT INN**, just had an album released. It's called "Our Love Story," . . . and so very appropriate. They are also scheduled for an Ed Sullivan appearance on May 8th.

If you're driving into Los Angeles and you have any doubts about your tires, try to make it to Barstow. There you'll find a tire oasis named the **NICHOLS TIRE CO.** It's right on the highway, in Barstow. We just made it the other day with a shrieking tire and squeaking canary. Just go in and ask for Pat. The good Mr. Patterson took good care of us and so remember it. It's nice to know

ALL of a sudden in the past year, since last April in fact, a new sign has popped up all over the country, so universally that you would almost think an army of men swept over the land planting them. In my travels they bothered me — these attractive regal blue, white and gold signs, and when something bothers me I take myself to the source and find out about it. I did that last week when I made an appointment with **Barron Hilton** of the **Hilton Credit Corporation** and went over to Hollywood to visit with him.

CARTE BLANCHE — my small dictionary says it means "full discretionary power." In the past this term has been used by some countries as meaning "extra power" and the military has used it to signify "unconditional surrender." Now in our times the **Hilton Credit Corporation** has created a new meaning to this dignified phrase by using it as a means of immediate credit identification around the world. This corporation was organized under the laws of California in late 1958 and the **CARTE BLANCHE** credit card was formally launched in April 1959 and within just a two week period one million cards were issued to "men of responsibility."

There are 17,000 associates of **CARTE BLANCHE** now with an outlet of approximately 150,000 firms that acknowledge this credit card; included are three of the principal national car rental services, 135,000 leading gas stations, plus Western, Continental, Northeast, Pacific Air Lines. Thousands of fine shops, hotels and motels are also available to card holders, and Carte Blanche reservation offices are being established in over 50 cities throughout the world.

You can even get insurance on this Credit Card. And when you use this Credit Card you get a permanent receipt for your expenditures — a thing now so necessary since Congress has decreed that no expenses can be allowed on your income tax without some receipt to show for the expenditure. **CARTE BLANCHE** is now the World's most welcome Credit Card — it is known everywhere.

All you have to do is fill out the short application form and you will be billed \$6.00 on your first statement, or you may pay the \$6.00 outright and you are all set for a whole year. That is all there is to it — no red tape at all. Additional cards for the other members of your family are only \$3.00, and if you have a company and want extra cards for other members of your company, company applications will be sent upon request.

What amazes me most is who is behind this phenomenal mushroom of a business. Of course at the very top it is the one and only **CONRAD HILTON**, but it was his young son who dreamed up the whole idea and who now heads the corporation. I am

As it is presented on the stage of the RIVIERA HOTEL'S Versaille Room. What at first sounded like off-beat booking, turns out to be a perfect ve-hicle for the first of similar, legiti-mate, stage offerings to be presented in the Riviera.

The play, which concerns itself with life in Hong Kong, and express-ly, a girl in a Brothel in love with an American, is excitingly played by the professional Broadway cast. As the story unfolds, it provides highly emo-tional experiences for the audience. There are tears for the tragedy inher-ent in the East meets West kind of romance with the inability of the American boy to overcome the moral problem so foreign to his Western up-bringing. Conversely, the basic humor

that consistently springs from much of its locale, the "House" is wonder-fully developed and does much to re-lieve the emotional strain as it devel-ops. This is a play of maturity and of reality. . . . truly for the adult. . . . The entire cast rates accolades, with JERI MIYAZAKI, TOM HELMORE and ROBERT ELSTON doing an outstanding job with the leading (and extremely demanding) principal roles. . . . Without a doubt the success of this play presages a new area in FAB-ULOUS LAS VEGAS show business and the nightly crowds prove the as-tuteness of the Riviera management in being the first to present the great living theatre in the desert.

It pays off in excellent response from the Barry fans . . . all of us! Jumping, leaping wildly and sliding across the stage, the 4 STEP BROTHERS pro-vide the visual excitement in their ex-ecution and rhythm of the dance. . . . MORO-LANDIS has staged a won-derful production for the SAHAREM DANCERS called "A Salute To Irv-ing Berlin." The music is splendidly balanced under the capable baton of LOUIS BASIL and his ORCHES-TRA.

evoked by this one great entertainer. It's an experience to be shared. . . . CORBETT MONICA has definitely established himself as a comic with a feeling for the human element in comedy. Of the non-violent school of comedy Corbett uses every-day situation type humor to keep the audiences howling. It pays off, as anyone who has joined in the fun with the daffy humorist will attest. "The Most Beautiful Girls in the West," haven't changed . . . they are beautiful and talented. The production is colorful and light and their dancing skills continue to make these beauties one of the most delightful chorus lines in Las Vegas. The music, under the direction of ANTONIO MORELLI, continues to show the brilliance and sound of a Concert Hall Orchestra. vivacious young vocalists are destined for early stardom. . . . STAN GUNN & HEPCATS are a recent discovery of entertainment director RICK RICHARDS and are well placed in the Showboat. Found on the banks of the Mississippi River, this unusual group will definitely earn a large following at the 'Boat. . . . The nimble fingers on the organ keyboard belong to charming ORRIE CLARK, who pleasantly fills the interludes with music pleasant, music sweet and above all . . . music. . . . UNIVAC, the giant Remington Rand electronic brain, continues to take on all comers in games of "21" and at last report has been losing, so, if you feel a lucky streak coming on try it out on the UNIVAC, you have nothing to lose.

shows the Silver Slipper has presented in years. Producer EDDIE FOX has finally presented the first real Beatnik number on the strip and the SLIPPERETTES make the most of it. . . . Miss Hawaii is a true Island beauty and enchants the audience with songs from our brand new State. . . . The highlight of the evening is the LOUIE PRIMA-KEELY SMITH impressions as performed by comedians HANK HENRY and SPARKY KAYE. TURA SATANA, who won the title "Miss Japan Beautiful," presents in her act the reason for the title which could be renamed "Miss Body Beautiful." and magnificence as to stagger the imagination. Giant waterfalls, displays of fireworks, the excitement of the French Revolution, are but a few of the production numbers cleverly conceived to make you feel as though you are a participant in the history of France. . . . As though this were not enough, a great array of European talent is blended into the show to provide the fullest measure of entertainment. The brilliant dancing of the BALLET ALARIA company; GINO DONATI, opera singer and comedian; ice skating queen, MARGIE LEE; the songs of BEVERLY RICHARDS, JOHN JULIANO and JACK RAINS, are but a part of the cast that perform in this amazing show. . . . The music for the entire production is under the direction of EDDIE O'NEIL, who guides his Orchestra through a most interesting and vibrant musical score. The entire show is a tribute to the skill and knowledge of Parisienne Producers PIERRE LOUIS-GUERIN and RENE FRADAY and DONN ARDEN who staged the entire production.

I predict that many city schools of Chicago will close down and move to the suburbs, where more space can be used to greater advantage! The dwindling city population and the booming suburban will cause many changes all over America! . . . I predict that the actors and writers of Hollywood will ask that the Taft-Hartley law be used in reverse to stem the growing foreign production and the growing foreign control of this great industry! . . . Three men of destiny: (1) Sir Winston Churchill will shock the British Empire by calling a spade a spade! (2) Victor Rosario will be the new anti-Communist force in Italy! and (3) Henry Ford II will demand that all franchise dealers and repair shops, garages and service points, must stick to one contract with all customers, nationwide! . . . I predict that postal rates will be cut when automation takes over the selection sorting, and the directing of all pieces of mail! I predict that a special postage stamp will be issued next year marking the 33rd year of the discovery of TV! I predict that

I predict that General DeGaulle will emerge from his present political mess politically stronger than ever before! . . . That a Royal Queen in Europe will give birth to a baby boy that will never breathe! . . . That all film made after 1948 and including the present un-released productions have been secretly sold to Television, in spite of the present strike of the actors and writers! . . . That the Panama Canal will be very much in our headlines due to Communist trouble-makers in Central America! That the present German Mark will be backed 100% by the American dollar in an economic war with Russia to the finish! . . . That a bloody, long, scandalous transportation strike will tie up New York City, and federal troops will clear the way for food to be brought into that magical, wonderful city of the 20th century!

The YOUNG ELECTRIC CO. should write a new slogan for their business, and may we suggest one? "We put the Glitter in Glitter Gulch." At the moment they are busy with the new Neon for THE MINT that extends from Fremont St. right around the corner on North First St. Also they are making a new light-up-the-sky sign for the SAHARA'S fourteen story addition. In the works are signs for the PIONEER CLUB and the TROPICANA'S outdoor multi-colored Fountain.

Now that Spring is here, business is bubbling for the ATLANTA-BILTMORE Hotel in Georgia. The pride of the South has an Ice Show produced by FREDDIE MARTELL that is the talk of all Georgia. We understand that a lot of our travelers who go to Florida have made the short trip up to Atlanta just to enjoy some of the Biltmore's true Southern Hospitality.

Monday night's ACADEMY AWARD Show was a distinguished affair with many tributes and honors going to some of our good friends in the entertainment world, but the highlight of the evening, for us, was SAMMY DAVIS JR. His vocalizing of

High Hopes (which won the award) showed again the great talent of this remarkable man. He's truly "MR. WONDERFUL!" . . . and that's for sure.

Aside to DEMPSEY FOSTER, distinguished looking "21" swing shift Pit Boss at the Flamingo Hotel. Our sincere thanks to you and for your thoughtfulness. We can certainly understand the reason for your success and why everyone with whom you are associated thinks so highly of you. You are a genuine person. Thanks again.

Welcome to a brand new, business in town. The ENGLISH TAILORS, famous manufacturers of men's suits, are having their Gala opening this week at 7th and Fremont Sts. So stop in and see them the drinks are on them. . . .

NEW FRONTIER HOTEL, you have a treat in store for yourself. With two instruments, the drums and an organ, Pete and Hank have come up with a musical sound that is many things — charming, exciting, fascinating and beautiful. This is a sound that can't be described by me as I have never heard it before but certainly intend to drop into the Cloud 9 Lounge to hear it again. We know that **BILL MILLER** is particularly pleased with these two — can't blame him.

Our very best wishes to **DELYLE COMPTON** who just bought **JOE GORDON'S** interest in **ANJOE'S** restaurant. Delyle is the lovely wife of Doctor Compton and the daughter of a well known restaurant owner.

VIC DAMONE has been signed by **ALLIED ARTISTS** for the title role in "THE GEORGE RAFT STORY."

JAY EDSON, Promotion Manager for **JOHN F. LONG'S** "Maryvale Shopping City" in Phoenix, Arizona, was in town this past weekend with **WAYNE DORAN**, Public Relations

Director for **JOHN F. LONG HOME BUILDERS**, to look over the Vegas Convention Hall. J. F. Long is known throughout the country as one of the largest builders of homes, and having his two promotion men here to check the convention hall is a compliment to Las Vegas, as there is a chance that Phoenix might build one comparable to it.

The 29-year-old former Masters Champion (1958) **ARNOLD PALMER**, is about to play in his fifth straight Tournament of Champions. At the **DESERT INN COUNTRY CLUB** the field is so select that it takes nothing less than a tournament victory to qualify. He's done it six times over.

Our congratulations to **CHARLES LEVINE** who was promoted to Pit Boss at the **DESERT INN HOTEL**. It was cause for a double celebration as on March 31st, the Levine's celebrated their 17th year of wedded bliss.

BILLY WARD, multi-talented lead-

er of the famed **DOMINOES** recording quintet, has signed a three-year contract with the **DUNES HOTEL** and has been described by hotel officials as "one of the richest ever awarded to a singing group."

The Staff of Fabulous would like to wish the following people a happy birthday: **EDMUND CONVERSE**, who is President of Bonanza Air Lines, celebrates his natal day on April 9th . . . Also celebrating on April 9th is charming **FLORENCE LADD** of the Riviera Hotel . . . Localite **ANN KELSEY** welcomes in another new year on April 9th also . . . It's the second wedding anniversary for **RAVIN & EDI DOMINGO** on April 10th . . . **LEE DEER** passes another milestone on April 12th . . . Beautiful **NINA CLARK** will be feted by her many friends on April 12th . . . Successful businesswoman **HORTENCIA McKIERNAN** (Owner of the El Cholo Cafe) has her birthdate on April 14th . . . HOWARD KING, who has given up his agenting to become a manager, was in town and deep huddled with **EDI DOMINGO** at **EL RANCHO VEGAS** the other evening. We also saw pretty **RAVEN**, Edi's wife, hobbling around with a big, fat cast on her foot. Seems she slipped on the proverbial cake of soap and slipped into a terrible ankle fracture.

While we were at **EL RANCHO VEGAS** we saw our "secret love," **HELEN GRAYCO**. She's radiant and as beautiful as ever, also sings up a

Fashion Show. They were awarded a first place plaque for style in the show. GARR NELSON, the SAND'S COPA ROOM songster, did the modeling and a fine job he did. See, Bernie and Mickey, I always told you that youse guys had a lot of style.

ROCKY TALLMAN, of the club BLACK MAGIC, reminded us that he has a Banquet Room available for private parties, receptions, etc. Come to think of it, it's an ideal spot. No gambling — a truly intimate night club and a great visiting place for celebrities. If we remember rightly, even LIBERACE schwepped here — it only hurts when I say it!

JANINE CAIRE, the pretty French songstress, has jumped from EL RANCHO to the star spot in San Francisco's elegant FAIRMONT HOTEL. Originally a production singer in La Nouvelle Eve show at the EL RANCHO, BELDON KATLEMAN, Bossman of all he surveys, gave her a chance at a featured spot in his next production. He certainly hit the jack-

pot for JANINE should go on to great things from San Francisco and we are sure in all her travels the name EL RANCHO VEGAS will be prominently displayed.

(Continued from Page 15)

speaking of BARRON HILTON. Barron is in his early thirties, was married to Marilyn Hawley after he served in the armed forces with distinction, and they have six children. They have an 18 room house out in Santa Monica right on the ocean and are as near a perfect and ideal family as you will ever care to meet. Exemplary Catholics, they belong to St. Monica's Church in Santa Monica and several of the leading clubs including the exclusive Bel-Air Country Club. Barron is a great sportsman, owns a plane, goes hunting and fishing in Alaska and the great Northwest and is an avid "car owner." That is his one vice — anything on wheels.

The car he drives is a late model foreign sports car — they also have two American cars and a station wagon.

Besides being Executive Vice President of the Hilton Credit Corporation, Barron also has an airplane leasing company which currently owns three Lockheed Electras, an investment of millions, and he is an executive in the Vita Pakt Citrus Juice Company which he founded in 1947 with a cash investment of \$25,000 and which now grosses six million dollars annually — Barron still retains 30% of the stock. One of his most recent business ventures is the Coleman Engineering Company of Torrance which specializes in high speed track testing using rockets and rocket engines. Barron's latest venture is the new Los Angeles Chargers — professional football team of which he is the President. You can now become a charter member of this group in which you will enjoy the special privileges of the Charger Club and you can reserve seats in the "Golden Rows," 10 games for \$40 or 7 for \$28. Just write the Chargers, 1017 South La Brea Avenue, Los Angeles.

Barron Hilton is a firm believer in physical fitness and plays tennis a lot and recently has joined a gun club. Barron is one of the most handsome men I have even seen — much more handsome than any movie star, and in a wholesome All-American way that endears him immediately to all who meet him. He has the most striking eyes of any individual I have met in many a year, a firm handshake, a hearty and robust "hello" for you, and an easy-going manner about him that puts you at ease at once and you almost feel you have been friends for a long, long time. He is one person that I would like to be associated with, work with, or be in business

with. He fairly exudes goodness, kindness and charm, and you instinctively know from the start that here is a man who is as honest as the day is long and a man who will see that you prosper along with him the same as his wonderful father has done — making partners and benefitters in every venture he undertakes. I look forward someday to being invited to his home to meet his wife, his children Sherry and Hawley, Stevie and Richie, and David and Barron, Jr. and their cat Tiger, and perhaps beating Barron at a game of gin rummy — all in the line of duty, of course, because I am going to do a family story on them for the Crosier Family Monthly Magazine of which I am a regular staff writer now.

Barron, as all great men, has surrounded himself with like kind. His secretary is able and efficient Dorothy Topolski, his manager of the CHARGERS is Frank Leahy whom you all know and have heard of, Sid Gillman formerly of the Rams is now his coach, Joe Zoline is Treasurer of Carte Blanche, and Frank Hiteshew directs the advertising and public relations. In his airplane leasing firm are men like Kenny Friedkin, Pres. of Pacific Southwest Airlines and Frank Frain of Lockheed. But his most important and finest associate must, of course, be his Dad, Conrad N. Hilton about whom Barron says: "It's been a great help to me in my career as a businessman to be the son of a successful father. I consider that his counsel and advice, his financial assistance of being a partner in my businesses has helped me. And being his son, of course, has given me a great advantage over a lot of other people in this country. I'm very happy and proud to be the son of Conrad Hilton and I say again that his assistance and

help has been of tremendous value to my success."

Here then I have tried to share with you my readers my good fortune in getting to know one of America's top young men — certainly destined to be the Man of the Year soon — and one of its finest examples of American Youth in business. I recommend highly his CARTE BLANCHE Credit Card — it will be your greatest friend during the coming year. I am deeply honored and proud as a peacock to think that Barron has accepted a Membership on the HILLSWAY ADVISORY BOARD and I look

forward to a long and happy association with him and his associates — the same as I have enjoyed with his famous and wonderful father. I want to give credit to Jack Douglas for much of my facts in this story — he recently taped a movie of the Hilton Family which I believe was run as a TV program. Oh yes, CARTE BLANCHE headquarters is housed in a beautiful new two-story building at 8544 Sunset Boulevard on the famous Sunset Strip in Los Angeles. Incidentally, I was especially interested in discovering that CARTE BLANCHE is endorsed by the National Restaurant Association.

GOING HOLLYWOOD with **MAY MANN**

KEELY SMITH sashays off to Europe for a six week fling without Louis Prima. But don't raise your eyebrows, for Keely is going with her business manager Barbara Belle while Louis prefers to stay home and play golf rather than explore Paris fashions.

This was all divulged at Kimm Charney's party for Keely this last weekend in Hollywood. Kimm, a sixteen-year-old child actor, is Keely's protegee, and he was celebrating the anniversary date of joining the Louis Prima-Keely Smith act. Dodie Stevens, Jim Francisco, Jimmy Boyd, Will Hutchins, and dozens more joined the celebration.

Tommy Sands leaves May 30th for the Army, and he and Nancy Sinatra Jr. are setting the wedding bells for around Thanksgiving time.

Marie Wilson and Ken Murray go into the Mapes in Reno for four weeks in June.

Bobby Van joins Betty Grable in her act at the El Rancho in Las Vegas. Bobby escorted Betty to the Coconut Grove with Harry's full permission.

Clint Walker received his full back-pay at Warners so that there would be no possibility of any strike contract break which Jim Garner, the star of "Maverick" is using. Incidentally, Jim Garner singing and danc-

ing on Bob Hope's TV spectacular April 20th will be an eye-opener!

Teenage Beverly Aadland, the Errol Flynn amour, had her opening night cancelled at the Sundown Club in Hollywood — due to her age and the Alcoholic Beverage Commission. So they erected a wall around the lounge so Beverly couldn't see the bar, so she could sing. Since Beverly says she only drinks champagne — the temptation shouldn't be too great.

Had you heard a money-group is proposing bullfighting, the national sport of Latin America for Las Vegas. Is this possible? It has been outlawed in Brazil for two hundred years. In Costa Rica and Ecuador bull fights are permitted only when the bulls are not killed. Columbia, Mexico, Peru, and Venzualia, Spain and Portugal are the only countries who allow bull fights to the death.

As many as 6000 horses have been killed in the Corrida in Spain in one year by the tortured and maddened bulls. Not to mention the matadores.

Also, the world's largest bull ring—The Plaza-Mexico in Mexico City is standing empty. And El Toreo, the smaller ring has been a failure this season for the first time in history. Maybe we should keep bull fighting for the movie screen.

And that's Hollywood!
