...How would you like such gorgeous "clutter" in your files? Bent on eliminating the bulge from his photo folders, our Cover Editor managed to get as far as this enticing costume display. When last seen, he was muttering something about "conservation" and "documenting" his file "in private." Criswell PREDICTS

An Accurate Glimpse of the Future

When in my hospital bed with the partial amputation of my right foot, altho under sedation, we felt the bed move with a slightly rolling motion of a California earthquake! This was a message of comfort for me as Mother Nature was still active! My Uncle who was a funeral director always claimed there were no Atheists at a grave side. During my crisis we were given the last rites which is a fleeting memory, but the blood poisoning subsided and I was taken from intensive care and quarantine. When it was announced on the radio and TV I was in the St. Joseph Hospital many longdistance phone calls, flowers, cards and visitors came in the second week. I no longer felt isolated for I was again in touch with the world! The Doctors and the Nurses were most helpful. I am still confined to a wheel chair and a walker and will be for six months! I predict that with the aid of others we will face the world again thru two new and startling books and my official autobiography! By expert medication at home and a thrice weekly trip to the Hospital, we will survive! The syndicated column along with my telephone radio shows from home will continue! And thank you for your many cards! Altho I could not give six graduation addresses, they want me next year, God Willing!..I predict that China and Russia, the Red Twins, will stir and mobilize to march into Asia in September!

A shocking prediction!

FLASHES IN THE NIGHT

I regret to predict that a **famed sports star**, whose name is a household world, will fall from grace thru narcotics, a shocking sex charge and "throwing" the game for a money cut!...I predict the publication of a novel by the late **Edna Ferber** will head the best seller's list everywhere! This novel, written a few years ago, and never submitted for publication, will further the fame of this noted American novelist!...I predict that the **Rivera Art Studio** of Hollywood will be chosen to supply the murals for the new Hollywood Civic Center! Many notables will attend the unveiling!...I predict that **James E. Myers** will receive the acclaim and recognition he so richly deserves from his performance as Dt. Williams in MGM's "**Shaft In Africa.**" Other fine roles will follow!..I predict that the **American Medical Association** will take stern steps among the membership on the prescription of habit-forming drugs. Prescriptions will be numbered and must not be used for a refill under penalty of arrest. Many pills now dispensed without a prescription will be withdrawn from public sale!

THINGS TO COME

I predict that the **price of milk** will increase despite the complaints, for the Dairy Industry will not take "No" for an answer! This will effect ice cream, cottage cheese and raw milk!...I predict that the

"Watergate Hearings" will bring wrath upon the heads of Senators who cannot afford waves in a coming election year! The television networks have lost millions in commercial air time! The sponsors who plan advertising campaigns months in advance were left holding the bag! Thousands of actors, technicians, radio-tv employees were thrown out of work! The reaction is very strong and negative among housewives who resent missing their favorite soap serial, the blood of daytime television!...I predict the never before told story of **Houdini's Premonition** as told by **Joseph Dunninger** in the current issue of "Psychic Dimensions" now on your magazine rack! **Joseph Dunninger** with his keen insight was able to penetrate this long kept secret!...I predict that even the soap serials on TV will have a touch of the supernatural for the ghosts of the dead characters will return and be very much in the plot!...I

predict that the new social registry will be late due to further deletions! A very famed political family will find themselves removed completely!...I predict that **Ann-Margret** will star in the **Marilyn Miller "Sally"** of the 1930's, the **Katherine Cornell "Green Hat"** will be a musical with **Doris Day** and **June Allyson** will tour with "Irene," the **Debbie Reynolds** smash. All nostalgia attractions!

HAS THE WORLD GONE MAD?

Exactly a century ago, August 19, 1883, plus ten years, the President of the United States, **Abraham Lincoln**, appeared by force before an investigating committee to defend himself on a treason charge of helping the Confederacy, thru the friends of his wife! Several Senators sought to destroy the image of **Abraham Lincoln** once and for all, but they failed! A mere turn of a card in the Battle of Gettysburg could have made the South the winner and elevated **Jefferson Davis** a hero!

MGM Grand Hotel is determined to be the biggest and the bestest. With the avid interest those 40 and 60 thousand dollar jackpots have generated at Harolds Club-Reno, we hereby advise J.C. Jordan and Pat Edwards that the Grand has set an incredible jackpot that will be the granddaddy of them al with about nine IRS men putting in 8 hour "casing" every day of the week. The Jackpot will be a cool million dollars and it will take an investment of \$10 to set the reels in motion. A friend speculated that it might be a machine that pays the big bootie when eight reels line up the identical, winning designations. It might very well be an electronic slot...or how about a lovelorn computer that resents its mechanical fate, falls in love with a struggling Cinderella and triggers the reels (she doesn't have the ten dollars to invest), gearing them right to the million dollar mark. Oh, well, Cindy, baby, the mechanical man might cry you a silver, gold or -reen river!

MGM Grand is romancing singer **Al Martino**, who returned stateside with the good news that his 1966 hit etching of "Spanish Eyes" is currently No. one in England. While huddling with medics about a hernia, **Martino** was besieged by calls from **Capitol Records** about the disc.

The L.V. Convention Authority approved housing of the **Entertainment Hall Of Fame** in the **Convention Center**....**Joe Bleden** responded to our July 21st lead iten with..."You are right. The idea for an entertainers' museum is not new. When I was P.R. Director for the D.I. and Stardust, 1966-67, I submitted a similar plan to the D.I. owners, pre-Howard

Hughes...I thought the idea was so good, commercial as well as valuable, that I began to collect items from stars on my own. I have items from **Durante**, **Groucho**, **Cantor** and even our greatest showman, **Flo Ziegfeld**...I am surprised no one has done this...For the sake of Las Vegas and show biz, I hope it works." (This writer also began a similar collection, J.B.)

Jack Kogan, well-known FLV personality, has been appointed Prexy of the newly-formed **Telepix International of Nevada**, a motion pic producing company. His first official move was to assign the post of Casting Director to **Gus Giuffre**, one of the tube's most beloved and consistent personalities. **J.K.** is extremely enthusiastic about the purchase of a Western script..."It's just different enough to make it the most unusual, most 'xciting motion pic ever to be filmed." Emoters and thespes will be auditioned at 2675 S. Highland this coming Tuesday thru Thursday, 10:30 A.M. to 2:30 P.M. Don't forget your make-up kits and 8 x 10 glossies!

Carmel Church**...August 18 will be **Lou Monte Day** at the **Monticello Race Track** in Monticello, N.Y. Lou's last date here was at the **Thunderbird** in 1955, when his RCA etchings of "**The Lady Is A Tramp**" and "**I'll Dance With Her, Henry**" were on the juke box hit parade. Longtimers will remember that's when **Barney Rawlings** (now with **Tropicana Sales**) was the singing emcee at the **T'Bird**.

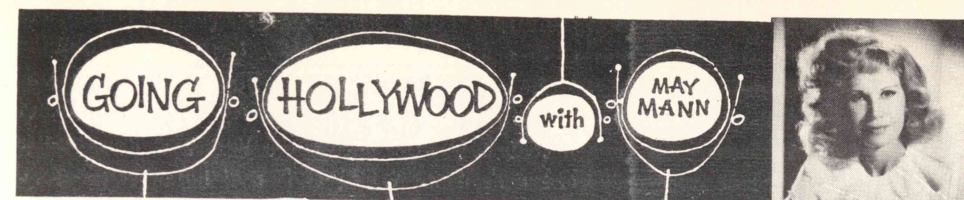

Long distance congratulations to the newly-formed **Hill Maintenance Corporation** in N.J. (Pomona, N.Y. on the Jersey side). The organization is chieftained by three aggressive intellectuals, **Prexy Anthony Hill**, **Veep Al Barton** and comptroler **James Holloway**.

Have you noticed how **Frank Sinatra, Jr.** is singing lately - much more depth and feeling...Frank played four different malls

in Illinois before opening here at the **Frontier**. The mall audiences totalled 45,000 for the four dates. Unlike our local malls, those in Illinois have huge outdoor patio areas, to which the fans bring their own chairs. Frank's devotees arrived at 7 P.M., two hours before he appeared.

Frank's mother **Nancy** was in the **Frontier Winners Circle** to catch **Johnny Vanelli** and **Linda Leigh**, who proved that what they say about Italian singers is true. The brother-sister due complement each other in appearance and harmony, commanding instant fans with their fresh, vital projections. There aren't many femmes who would dare to do "**My Way**," especially in front of **Nancy Sinatra** (Anka wrote the song for her ex, **Frank, Sr.**), but **Linda** does it and **Nancy** applauded her. Important to the musical success are **Frank Esposito** on bass, **Al Checci** on drums and **Ron Donath**, organ. Everything about **Vanelli & Leigh** is beautiful!

JOE E. Brown one of the most beloved great super stars of the world, was eulogized at the requiem mass and rosary at the **St. Martin of Tours Church** in **Brentwood**. Looking at the American flag draped coffin, flashes of memory came; the great patriotism - love for country, generosity and hospitality **Joe E.** and his **Kathryn** exhibited in their **Brentwood** manse; going with them to the officer's party for their handsome young son **Captain Don E. Brown** with the personality.

Joe saying "You belong in our family - maybe **Don--?**" **Don** in weeks was killed ferrying an army bomber; the \$50,000 statue the **Browns** erected for their beloved eldest at **Forest Lawn**; **Joe E.** going on the battle-fronts to entertain our men; **Joe E.** engaging in actual combat and receiving heroes medals; his always-ready smile to make people happy; his trophy room stacked to the ceiling with the world's appreciation for his endless giving of self and his talent; the formal wedding with **Kathryn** lovely in her white satin gown and veil and **Joe E.** in a cutaway, striped pants and white tie, as the bridal couple renewed their vows on their 25th anniversary. "We were two poor kids who got married at **City Hall**, and now I owe this, **Kathryn's** dream wedding, to her"; **Joe E.** acting as my father to give the bride away at my own wedding; **Kathryn** lending me her little pearl covered bible - to hold for something old; **Joe E.** and **Kathryn** sending a special plane of flowers from **Baldoccio** in **San Francisco** for my wedding; **The Browns** always did everything so magnificently.

Joe E. driving me to **Olvera Street** for the opening of the **Mexican American Trade Mart** with **Mayor Sam Yorty** and all along the freeway people yelling from their cars "**Joe E. Brown? We love you!**" Men and women and children all came to

pay their respects to this all American idol. **Ba'** marks all over the world were named in his honor. Son **Joe L.** became, to his father's delight, a shining light in the baseball world. **Joe E.** was one of the world's best dressed men - dapper and groomed to perfection and on several International lists; His adopted son, then sports announcer **Mike Frankovitch**, becoming one of Hollywood's most successful producers added to **Joe E.**'s pride; the birthday party I gave for **Joe E.** six years ago, and his brilliant wit and the good time he had at my home with the twenty four guests who included **Mayor Sam Yorty** and other notables. **Joe E.** was saddened because **Mike** and **Binnie** and **Kathryn** couldn't make it. "I had to come in a taxi, because I couldn't find my car keys," he said. From seven until two in the morning **Joe E.** was laughing and having such a good time. "The best time I've had in years." Looking back seven people at my party for **Joe E.** have passed on - **Joe E.**, **Martin Von Dehn**, **Mrs. Martin Von Dehn**, **Jayne Mansfield**, **Patti Moore**, **Ida Mayer Cummings** and **Victor Huston**. "Life is much shorter than we think," **Joe E.** had said that night. Numerous telephone calls, the pain in his back which had been broken when he was a boy circus athlete.

All of those wonderful memories of recall he'd left to me and thousands more to thousands of people. And now here he was at the end of his great life, a hero - loved and adored, highly respected and mourned by hundreds of friends; the many flowers, the tears; outside the television cameras and the press media to record the passing of a man so loved who truly left his mark on this world, as a great and kind human being. Who could ask for more!

things look at the box office. This highly polished, skillfully played and presented **Noel Coward** musical is one of the biggest hits to play this town. Everyone's talking about it--**Bob Hope** sat in front of us opening night and was enthusiastic. Wow! The words and music by the late **Noel Coward** sustain an evening of laughs and fun for everyone. Vegas would do well to grab this one. In a town not known for long hits, this one joins "**We Can't Cope**" and "**Grease**" in superlatives.

Henry Mancini proves himself one of those rare, very rare composer conductors who is an ace showman. At Universal's outdoor Amphitheatre (now enclosed against the cool breezes but still with the sky overhead) **Henry** came on in a white suit, shocking pink shirt, red tie--and proceeded to introduce one hit after

another from his motion picture scores. "I'm Mr. White," he quipped, "This is the suit like **Tony Curtis** wore in 'The Great Race'." Then he sang a happy birthday to his wife in the audience and insisted she take a bow. His informality with the audience which they loved was in wide contrast to **Johnny Mathis'** cool reserve and lack of comment. What's happened to **Johnny's** showmanship?? Or was he in a cool mood that night? His voice is great and his fans were happy--but **Johnny** could be much more as his old free-wheeling self, as he was last time we saw him.

Maneini's constant bows to his orchestra members and his many soloists, with humorous repartee added greatly as did his own compositions on the keyboard including "Windmills Of Your Mind" and "Love Story" and That's Hollywood!

JERRY LEWIS is a very funny man. In Europe he's been described as the successor to **Charlie Chaplin**. In America most of the movies he makes are boxoffice successes.

Few fans realize just how serious he can be and just how close to his heart is **Muscular Dystrophy**.

When the famed comedian is not teaching a filmmaking class at the **University of Southern California**, working on a film or appearing on stage, he always makes time available for **Muscular Dystrophy** without asking anyone for one cent. In fact it costs him money out of his own pocket.

The last five months he's been traveling around the country working on the **Muscular Dystrophy Labor Day Telethon** to be telecast nationally. This will originate from **Del Webb's Hotel Sahara**, which is donating all its public facilities and the service of its staff to the gala holiday weekend event. Television cameras will shift from city to city.

"I realize **Lewis** spends a lot of time on dystrophy," a volunteer noted after attending a local meeting with the comic. But seeing him gave me insight to how devoted he is--no one knows how much he really does."

Lewis has met with many station managers and hosts for the 150 TV stations carrying this year's telethon. Volunteers have been attending workshops to help familiarize them with MD and telethons.

There is no pay for **Lewis** as he spends hours meeting people and cutting promotions. It is incredible.

Lewis began doing the yearly telethon in 1965. Since then it's grown from a local

New York show to a national telethon. Local dignitaries, entertainers and representatives of organizations will appear on the telethon.

"During the 20 hours of the telethon 75 children will die from M.D. and that's what keeps me going," said **Lewis**. This is one man who doesn't dwell on his **Muscular Dystrophy** activities.

All of his fans consider him a clown and a clown he is. He makes people laugh but he also faces the very real, sad facts of life very personally.

Do not forget the date and pledge what you can. It's for a great cause.

A CONTROLLED ECONOMY!

I predict that every nation in the world will declare an economic war against America! Uncle Sam has been Good Sam much too long! The American Dollar was cut to shreds in foreign trade just for spite! When America takes a stand to protect and preserve our precious way of life, many self-appointed patriots, call "treason" and "imperialism" plus "facism"! We cannot break the establishment, we can only break ourselves against it! For the establishment is law and not anarchy!

PROJECTION!

I predict that the projected gas rationing will result in an abundance and a backlog leading up to a price war! The one solution would have been the **Alaskan Pipe Line** but due to the petty politics of the moment, we squandered our oil security! You, the consumer, should write your Senator in no uncertain terms and demand fairness, in the oil and gasoline situation! The **Wall Street Journal** and the **Barrons Financial Weekly** tell us in no uncertain terms? Who is the real enemy of the consumer?

The Hollywood Chef

In the hey-day of Hollywood, all the major studios had commissaries that were really very fine. As time moved on, and less and less was happening in Hollywood, the studios began closing down their food operations.

Today, with only six major movie studio lots in operation, there is one that has kept its food division open throughout the years, namely, the **Walt Disney Studios** in Burbank, California. I have had the fortune of eating there on numerous occasions during the years. **The Cafe** is always good, but my favorite is the **Coral Room**. The continental menu is always well balanced and superb in service as well as quality. After your entree has been served by a courteous waitress and you are well into the main course, a very nice, soft-spoken gentleman comes out of the kitchen and asks if you are happy with your choice. This is the Executive Chef-Manager of food, **Henry Cohen**.

Henry was educated in his native Holland, and was an apprentice chef at the age of fourteen in one of the largest hotels in the Hague. He spent ten years on the **Holland-American Line** and the **Holland-Australia Line**, before he decided to settle in Los Angeles as banquet chef of the **Beverly Hills Hilton Hotel**. With the help of two chefs, one cook's helper and 1 pantry chef he serves 600 lunches on an average day in the **Cafe**, which serves cafeteria style and 30 to 50 in the **Coral Room**, that caters to the stars are working on the lot, as well as studio executives and visiting dignitaries and newspaper reporters.

One of the most popular dishes **Henry** serves is **Filet of Sole**, **Veronique**:
 6 fillets of Sole
 1 egg

1 cup flour
 3 tbl. butter 2 tbl. Chablis Wine
 1tbl. seedless grapes
 salt to taste
 Wash fillets in ice cold water. Dry on paper towel. Lightly salt the flour. Dip fish in flour on both sides. Dip fish in beaten egg and dust again in flour. Shake excess flour off fillets. Heat butter in frying pan and saute fish in butter until brown on both sides. Place fish on heated serving plates. Add wine and grapes to the hot skillet. Reduce liquid to 1/3 of amount and pour over the fish, serve at once. Serves two.

The day I was in the **Coral Room** at the **Disney Studio**, I was joined by **Ben Hartigan**, my good friend of many years, one of the top publicists at the Burbank, California lot. **Calvin Bartlett**, the actor, was at our table. He told of his recent assignment on ABC-TV's "Mod Squad." We had a marvelous lunch, and as we ordered the dessert course and coffee, **Henry Cohen** joined us to discuss our favorite subject, food. He believes, "That the American public is now becoming more aware of good quality food." He

Dear Etta;

Jack was always kind to us through the years and your accolade in the current "Fabulous" is overwhelming. Grandma was over for dinner last night and she too was very pleased.

My lectures are very satisfying, just enough of an ego-trip to please the ham in me. (You should never call an actor a ham, a ham can be cured!)

*An actor is the strangest man
his sun lamp always keeps him
tanned*

*his trench coat has that certain flair
That makes him seem so debonair.
His shoes have lifts that make him
tall,*

*A surgeon made his nose too small.
His hair turned gray and so he dyed
it,*

*Now it's gone but toupees hide it.
Porcelain caps enhance his grin,
A girdle holds his belly in.*

*His eyes grew dim and this was
tragic,*

*But contact lenses worked like
magic.*

*Yet to his art he'll ever cling,
sans eyes, sans teeth, sans hari.....
sans EVERYTHING!*

Cheers!

MIGHTY MIXTURE

By GARY STEVENS

DATELINE: NEW YORK:

THE MAILBAG: Our recent item re: **Page Morton** and her cooing in behalf of heavenly java brought this desk some letters saying our ears are plugged, our taste is bad and some such things. One of **Ms. Morton's** fans went on to say she's better than **Doris Day** and **Dinah Shore**. Anyway, we're still perking despite being mired in our coffee grounds.

....The column we did on Rooftops and Music neglected to mention the **Piccadilly Roof** on top of that Broadway area hotel and the marvelous music made by the **Adrian Rollini Trio**. The omission is our fault.

SCRIBBLINGS: **Mamma Leone's** has an afternoon buffet treat at lunch. May we call it "noontipasto."...Hizzoner, our Mayor, in announcing plans to appear next January in a scene in "**The Changing Room**," the one scene locker room play where male undress supplies the action and supercedes the dialogue, set off a big joke around town. It is a laugh getter, very hilarious, but too ribald for inclusion in a family magazine. Sorry...If you travel upstate stop in at the **Golden Fox** in Colonie, N.Y. The reason, other than very good food and class service, is the **Vito Manone Trio**, who play fine music late into the night.....**Pete Hamill's** column on **Robert Byan** was worth framing.....At **Manny Wolf's** associated with being a meat house, don't be afraid to order **Crepes Neptune**, a pancake loaded with **Lobster, Shrimp, Scallops**, etc.

MEANDERINGS ABOUT MAILER'S 'MARILYN': To set the records straight early we never succumbed to **Miss Monroe's** looks, lure or acting. We

accepted her as a pleasant enough screen contrivance. But then our track record of responding to super sirens of the screen is an object of discussion. **Grable, Turner, Taylor** and even in our young days, **Harlow** - all did nothing for this male film watcher. Who did he like, you question? What cinema lasses captivated him to these past few decades? Are you ready? **Hayworth, Gardner, Fleming, Dahl**, yes even way back, **Ilona Massey**. As for **Mailer**, there is admiration. **Norman** is a heavy writer, he pounds his thoughts across. Often as you read him some of his personal eruptions spill over the pages. Somehow **Mailer's** opinions come through as controlled violence. His style is masculine nearly to a fault, but when you reflect his prodigious talent and accelerated drive that propel him on and on, whereby a book can be turned out in weeks not months, you come away with respect for the guy. He may be the best since **Hemingway**. In some areas he's better than **Ernest** the enigma. What we have at hand is "**Marilyn**," a biography of M.M. To publisher, **Grosset & Dunlap's** credit is the striking cover, the exceptional promotion and distribution and a handsomely bound book. The contents are up for argument. As an assortment of pictures, no one will quarrel. It is a beautiful album. In reviewing a life and revealing the past, **Mailer** relied on personal passion, incomplete interviews, much heresay and reams of conjecture. Do we have a simple girl from a broken home who went mad after being injected with Hollywood's opiates? Or are we recalling the times of a complex female who was a

The '73 edition of "Casino de Paris" bears the distinct signature of Frederic Aparcar, who conceived, produced and directed the spectacular...The incorporation of horses and Hondas borders on upstaging the physical splendor of the boy and girl dancers and Les Mannequins. The noble steeds, manes flying, gallop furiously on a moving floor that restricts each to his own unfettered cubicle of activity. The motorcycles are revved onstage by the shapely torsos of the girl dancers... Marc Anthony is back with his stellar

Connie Stevens, plus Charlie Callas, is a powerful draw at the Flamingo...Candy-box pretty Connie, a leading member of the all-around-entertainer sorority, is starring in a revue so lavish it could go lock, stock and cast to Broadway. Sexy and glamorous in smashing Nolan Miller designed gowns and costumes, Miss S. "Hawaiian Eye," yet the sweetness still shines, through promoting loving labels like "adorable."...Although her soft, distinctive vocal tones are also still there, notably in "Penny Candy," Connie belts too when the song calls for it. And though

"Fantasy On Ice" isn't a mirage...it's an oasis, lush with colorful costumes and the shimmering splendor of mirrored sets. The evening it opened, George Arnold's spectacular became the "sleeper" hit of the Strip. The beauty of singing star Susan Anton remains unique, despite the competitive sparkle of the productions. She looks like a delicious, blonde peppermint concoction in an exquisite red and white sequined gown. As she projects one of the most natural of vocal qualities,

as effective headlining a main showroom

spoof...With a lightning fast mind and a
mas of material the content of his act
varies from performance to performance

The dazzling "Folies Bergere '73" could

obvious that a great deal of care, along
with great amounts of money, have been
expended and nothing is wasted. The acts,
the settings, costumes, music and extra

taking "Ca C'est Paris" opening to the
equally eye-popping finale...Audrey Arno

The New Jerry Lewis Labor Day Telethon.
Tune in Sunday, 7:30 P.M., Channel 8

Stay up with Jerry and Johnny Carson.

of America.

Now at the **Winners Circle**, comedy star **Billy Kay**, **Pam Egbert** and **Dorothella Lewis** are winning friends and influencing ...with their show, spotlighting **Billy's** antics and their combined miming of "**Mr. Bojangles**" and a silent movie tape type spoof on a "**Godfather**" death scene. Audience involvement has **Billy** turning the open lounge into a family circle.

Then there's that other "Silly putty" face **Jerry Kurland**. After watching his sinewy onstage movements in the **Mickey Finn Show** at the **Holiday Casino**, call it a "Silly putty" body under that face. He's added a good dimension to the show, coupling his comedies with those hilarious animal carbons and flowing-boned tap dancing. Someone should really tell **Kurland** that the human skeleton is made of bone and sinew - not elastic.

Credit **Fred Finn** (who can't hide his love for **Kelly**) for the uncanny concentration of zoom talents in his show. Only a successful performer would surround himself with such scene stealers. **Fred's** stand-up-and-walk-away-with-the-orchids pianistics has him back-seating to no one...That handsome young man, **Scotty Plummer**, could give our gal **Tessie O'Shea** quite a go on the banjo. If he isn't a backstage vaudeville babe reincarnate, then the thousand Frenchmen are wrong. **Scotty** may be too young to walk the casino area, but he's a very old soul in musical expertise.

Billy Barty's doing a new Children's Show produced by **Sid and Marty Kroft**. He plays **Sigmund** in "**Sigmund & The Sea Monsters**," airing on NBC Sept. 8, with **Johnny Whitaker** in the lead...**Billy** is chairman for the **Little People International Invitational Golf Tourney**, set for **Azusa Greens C.C.** on Sept. 30. All interested in becoming a Founding Sponsor (\$250 guest fees for the meet), send your checks to the **Little People Int'l.** at that California city.

Familiar faces at the **Holiday Casino** are slot boss **Jimmy** (**Michael, Anthony, Paul, Peter, Joseph**) **Perri** (formerly of **El Cortez**) and **Mike Roncevic**, slot shift boss

(formerly of **Landmark & Desert Inn**)... We chatted with them about those huge jackpots at **Harolds Club-Reno**, where two giant progressive jackpots were hit in less than a half hour recently. One player invested less than \$5 for more than \$15 thousand...Another put in exactly one silver dollar to hit over \$7 thousand. **Harolds'** biggest jackpot (still climbing) is over \$60 thousand.

FABULOUS Notes... **May Mann** provides a very graphic insight of the late **Jayne Mansfield's** personal life in her biog of the beauty, for compelling, can't-put-it-down reading...**Billy Joe Royal's** film debut in "**Name For Evil**," the **Robert Culp** topline, has other producers sending him scripts...

At the **Hacienda**, **Pepper Davis** warned the caliche-exploders on the site of their proposed **Camper Park** not to run over into the Freeway area...Ten U. of **Miami Grads** are holding forth in the **Hilton** lounge under the descriptive banner of **Impact Of Brass**, with their big band style a contemporary expression of musical skill...

The **Treniers** play the **L.I. Westbury Music Fair** with **Shecky Greene** August 13 thru 19, postponing the **FABULOUS Stellar Award** winners' **Flamingo** return to the 23rd...

Do
something
for
nothing.

Be a Boy Scout
Volunteer. 

Stardust lounge **Frankie Rino** and **Pat Henry** played a late July Chicago benefit for retarded children, to a turnout of over a thousand, who payed \$250 per plate... **Gus Augspurg's** six year old monkey-darlin' **Cindy** is captivating every fan in the **Tropicana's "Folies Bergere,"** where she's making her show biz Debut...

Pete Barbutti's recent **Sahara Casbar** run so successful, he drew another six-weeker return on October 15...**Blue Cross Animal Hospital's** charmin' **Pat** will regret **Dick Jensen's** distance when she reads here that he's set for a long run in a room that was custom-made for him-in **Hawaii**...

FABULOUS bouquets to **Tropicana** chief **Deil Gustafson**, who is the first person to plan a Strip overhead bridge (uniting the existent **Tropicana** facilities with those planned across the highway), a detail the late **Jack Cortez** pleaded for during his many years as publisher of this magazine...

The **Mills Brothers** (**Flamingo Casino Theatre** stars) raving about **Billy Eckstine's** etching of "**First Time**"...The **Hacienda Hotel** hosts the **Zoological Society Of Nevada's** fund raiser at their "**FANTASY On Ice**" winner, August 27...**Charles Johnston**, who manages a multitude of performers, arrives for **Quantrell's** August 15th opening at the **Hilton**.

At CP, **Joan Rivers** shatters the audiences with her march across stage with **Wayne Fisher** and **Ron Lewis**, in uniform, enacting the "**Spirit Of '76** scene, then hushes the laughter when she returns with the lovely closing tune, "**The Curtain Falls**." **Joanie** sold her "**The Girl Most Likely To**" screenplay to ABC-TV **Movie Of The Week**, with filming on August 22nd. A many-sided firl is the one called **Rivers**...and that's for sure.

dancing away in a variety of numbers. She frequently changes her act for benefit of return fans. **Audrey** is especially captivating singing her newly added "**Le Temps** and impressive "**Corner Of The Sky**" from "**Pippin**," terping an **Eiffel Tower** tour with the revue's dancers (choreo conceived by **Jerry Jackson**) and affectionately song saluting the beloved **Maurice Chevalier**...**Gus Augspurg** always breaks up the place with **His Girl Friends**, **Guinea baboon** and a pair of **Rhesus monkeys**. The **Augspurg** chatter and the monkeyshines make up one of the most perfect acts in show biz...**Roger Ray's** comedy-marimba performance is a dependable plus for the appreciative showgoer... **The Ultra Three** bring one of the most humorous acts to a high pitch of amusement. If you don't quite believe what you see, just trust your eyes, They tell it like it is and so do the roars...Handsome, blond **Dan Parker** is the spectacular's splendid new premier male dancer. A pas de deux with lovely **Janelle Urbina** is brilliant...The high soprano of **Carolyn Everett** is a standout, while **Felicia Atkins** and **Joyce Grayson** stand out in their own way, figur+wise... No group excels like the **Rudas Acro Dancers**, exhibiting precision and adept ability in the "**Can Can**" and in a later scene amidst the lavish "**Casanova**" sequence...The stately and curvaceous **Les Mannequins** move well within the scenes surrounded by the fleet **Tropicana Cancers**, their patterns directed by **Larry Maldonado**, with **Nick Navarro** assisting... A fine blend of voices occurs throughout production numbers from the **Tony Costa Chanteurs**, and in all the music, the arrangements by **Billy May** and original scores by **Henri Bettis** of Paris and May, lyrics by **Bobby Troup**, have the special conductorial talent of **George Hernandez**. The orksters in the pit make good sounds for the entire cast...

Miss Anton punctuates her tunes with fluid body movements. For one so dazzling, Susan is completely devoid of affectation. She is the most outstanding new personality/performer of the season.. Although confined to a very brief comedy interlude, **Pepper Davis** lends a one-two punch to every utterance that results in an uninterrupted stream of laughter...**Le Lisa** is another striking standout in this talented troupe, with a face and figure that totally enhances her superior trapeze ballet...**Richy Dunn** has no mercy in his pickpocket infallibility, which he embellishes with lip-twisting humor...**Douge Breniser's** three-legged skater is a howl. He and producer **George Arnold** add to

she says onstage she loves to dance but she's not a dancer, her limber hoofing looks just fine to the audience. The star's excellent male dancing partners who open the act with nifty terping are **Jerry Grimes, Clifford Allen, David Chavez, Mark Judson, Roy Smith & Cecil Gold**...Memorable scenes are a kid ball-gzme ballet, with **Miss Stevens** as a cute little tomboy growing up before your very eyes, her "Friends"/"Down Here On The Ground" medley with her friends disguised as birds & animals, a hilarious film clip of the star-trying to make a fast costume change--with Hal Roach type comedy pacing, and her "Close To You" with two willing male partners drafted from the audience...Happily, **Connie** includes her show-stopping "A House Is Not

added, "This country has everything going for it to become the best culinary country in the world." He further says, "If you go out to eat somewhere you expect good quality and good service. Some Restaurants try to fool the public in order to make a buck, but they don't last long."

It is most unusual for three people to order the same salad dressing. This lunch time we all had the Green Goddess Dressing. I immediately knew on tasting it, this was one recipe Henry had to share with you.

Green Goddess Dressing

2 cloves garlic, minced
2 teaspoons salt
1/2 tsp. white pepper
1 1/2 tsp. dry mustard
1 tbl. Worcester sauce
1/2 cup anchovy paste
3/4 cup tarragon wine vinegar
3/4 cup chopped parsley
1 qt. mayonnaise
2 cups sour cream
3 drops green food coloring

Combine the first seven ingredients. Gradually add in the chives, parsley, and mayonnaise. Blend well. Fold in the sour cream. Add the green food coloring, if desired. Refrigerate for two hours to blend the flavors. Serve on your favorite salad greens or seafood salad. This recipe yields 1 3/4 quarts.

Henry Cohen is a very interesting fellow, whose career has taken many turns in the food business. He helped set up the food services at the University of California at Santa Barbara, California. He also cooked for Presidents Truman and Eisenhower when he was the banquet chef at the Beverly Hilton Hotel. One of the most popular desserts at the Disney Studios is Henry's Super Cheese Pie.

Henry's Super Cheese Pie

1 unbaked 8-in. graham cracker crust
1 1/2 8-oz. packages soft cream cheese
2 eggs
1/4 cup granulated sugar
1/2 tsp. vanilla extract
1 cup commercial sour cream

Heat oven to 350 degrees. With an electric mixer at high speed, or a hand beater beat cream cheese, eggs, sugar and vanilla until smooth and creamy. Turn into crumb crust. Bake 35 minutes. Top with reserved crumbs. Spread sour cream on top. Cool. Serve as is or top each wedge with fresh sliced or frozen strawberries. Fresh, canned or frozen sliced peaches are also good. Use the basic Graham Cracker Crust as found on a box of Graham Crackers.

If you never get a chance to tour the Walt Disney Studios in Burbank, California, you now have some of Henry Cohen's secret recipes. You too can enjoy the same good food as did Mary Poppins and Mickey Mouse.
