

The background of the entire image is a deep blue night sky filled with numerous small, white, four-pointed stars. A vibrant, multi-colored rainbow arches across the lower-left portion of the frame. At the top of the rainbow, a white golf ball with a dimpled texture is positioned as if it has just been launched, with the rainbow's colors appearing to trail behind it.

# YOU ARE *Cordially Invited* TO PLAY AT LAS VEGAS' MOST EXCITING GOLF CLUB!

A thrilling new social center is now available for your pleasure. This is the Stardust Golf Club—another Las Vegas luxury at economy prices offered by the world's largest resort hotel.

This enchanting golf course, designed to please the most discriminating player, combines many of the fine features which you relish at your own local club along with the unlimited recreational facilities of this great resort area.

We believe that you will like to know all about the Stardust Golf Club. The course is exacting but not frustrating. It is built on rolling terrain, distinguished with many sparkling lagoons and lush greens, and truly offers an interesting challenge at all 18 holes.

Already the Golf Clubhouse has become a popular place to meet golfers from around the nation and to relax. There is a sportsmen's grill; complete bar service; a recreational area where one can play cards and enjoy television; a well-balanced golf staff; a pro shop which offers excellent golf rental equipment and which has the finest sports merchandise for sale.

The Stardust course has been designed by experienced craftsmen, who have created it to be the finest in all Nevada. One unusual feature is the lighted driving range for nighttime play.

Special low green fees of \$3.00 have been established for guests of the Stardust Hotel. Regular green fees are \$6.00 per round, and caddie service plus electric carts are available.

The Stardust Golf Club is open daily from 8:00 a.m. to about 5:00 p.m. daily. It is under the supervision of Howard Capps, Golf Director.

In October, the Second Annual Ladies Professional Golf Association Championship, will be contested at the course. This type of competition, which brings the finest women professional players to Las Vegas, is but one of many major tournaments which will distinguish the Stardust Golf Course.

When you next visit Las Vegas we hope that you will want to play the Stardust course. Reservations may be obtained by phoning RE 5-4161. There is frequent free limousine service from the hotel to the first tee.
