Lido: THE ONE SHOW TO SEE WHEN YOU'RE SEEING ONLY ONE!

There's only one Las Vegas—the 24-hour-a-day, 7-day-a-week town that really comes to life just when others are rolling up their sidewalks. For as this Nevada city's skies begin to darken, its stages begin to light up . . . with the brightest talent in the entertainment universe! And amidst this almost blinding array of music, comedy, dance and spectacle, one marquee shines above all the rest: the one that rises high atop the Stardust Hotel, the one that reads "Lido de Paris." For there's only one Lido!

This nightly ultimate in evening extravaganza continues its long run at The Stardust's Cafe Continental Theatre. "Lido de Paris" continues in the grand tradition of the only show in Las Vegas

imported from Paris with its original cast!

And is it an original! Staging has never been more awesomely executed! Women have never been more beautifully showcased! Costumes have never been more exquisitely designed! Music, magic and comedy have never been more joyously presented!

Yes, this is Las Vegas. And this is the Lido show . . . the one to see in the place to be!
