Historical Background

Established in 1983 as a division of the Office of Economic Development, the Nevada Motion Picture Division works to promote Nevada as a destination for filmmakers and producers. Renamed the Nevada Film Office (NFO) in 1998, the agency works to facilitate filmmaking in the state by coordinating permits, scouting locations, and providing resources to productions. The NFO also administers tax credit programs to attract projects to the state.

Administrative Information

Access Note

Collection is open for research.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish.

Acquisition Note

Materials were donated periodically from 1990 to 1996 by the Nevada Film Division; accession numbers 1990-27 and 1996-3.

Processing Note

In 2017, as part of an archival backlog elimination project, Angela Moor rehoused and arranged the materials, and revised the collection description to bring it into compliance with current professional standards.
