Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Las Vegas City Engineering and Planning Department
Creator:	Nevada. Department of Highways
Creator:	Las Vegas (Nev.). Department of Public Works
Title:	Las Vegas City Engineering and Planning Department Reports
ID:	MS-00270
Date [inclusive]:	1951 to 1981
Physical Description:	2.17 Cubic Feet (4 boxes)
Physical Description:	1.84 Linear Feet
Language of the Material:	English
Abstract:	The Las Vegas City Engineering and Planning Department Reports (1951-1981) consist of urban planning reports, transportation and parking studies, and environmental impact assessments concerning the greater Las Vegas, Nevada metropolitan area. In addition to general issues of urban planning, the collection contains materials relating to the expansion of Interstate 15 through West Las Vegas in the 1970s and early 1980s.

Preferred Citation

Las Vegas City Engineering and Planning Department Reports, 1951-1981. MS-00270. Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish.

Acquisition Note

Materials were donated in 1986 by Charles Kajowski; accession number 1986-069.

Processing Note

Material was processed by Special Collections staff in 1986. In 2014, as part of a legacy finding aid conversion project, Ian M. Baldwin revised and enhanced the collection description to bring it into compliance with current professional standards. Subsequently, Ian M. Baldwin entered the data into ArchivesSpace. In 2016, Joyce Moore edited and updated the data and entered it into ArchivesSpace. In 2021, Sarah Jones reboxed the collection and updated the inventory in ArchivesSpace.
