## Historical Background

---

In 1980, William S. Redd's company, SIRCOMA, a company that developed a line of video poker, blackjack, keno, as well as slot machines, was renamed International Game Technology (IGT) after SIRCOMA was sold to casino operators in Las Vegas, Nevada and Atlantic City, New Jersey.

In 2001 IGT acquired Silicon Gaming and Anchor Gaming, and, in 2003, Acres Gaming was also acquired. In 2015, GTECH Corporation acquired IGT, renaming their company International Game Technology. IGT continues to operate and manage video gambling machines.

---

## Administrative Information

---

### Access Note

Collection is open for research.

### Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish.

## Acquisition Note

Materials were acquired periodically by UNLV Special Collections and Archives from a variety of sources; accession number 2019-090.

## Processing Note

In 2019 as part of an archival backlog elimination project, Miguel Dominguez compiled the materials from multiple sources that included subject files and previously cataloged material. Karla Irwin processed the digital files and created access copies. Miguel Dominguez wrote the finding aid.
