Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Cardle, James A., 1950-
Contributor:	UNLV @ 50 Oral History Project
Title:	James Cardle oral history interview
ID:	OH-00337
Date:	2006 April 25
Physical Description:	4 Digital Files (0.180 GB) MP3, PDF/A
Language of the Material:	English
Abstract:	Oral history interview with James Cardle conducted by Dr. David Emerson on April 25, 2006 for the UNLV @ 50 Oral History Project. In this interview James Cardle speaks about how he came to the University of Nevada, Las Vegas in August of 1985 and began teaching a class on wastewater treatment. He spoke about how he was a member of the curriculum committee, did research on the Yucca Mountain project, and also worked on setting up a master's program.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted and transcribed by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2017. Minaam Baseer wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use.

Bound Transcript Availability

A bound transcript is available for use in UNLV Libraries Special Collections and Archives:
