| Language of the Material: | English |
| Abstract: | Oral history interview with Donna George conducted by Barbara Tabach on May 14, 2012 for the Boyer Early Las Vegas Oral History Project. In this interview, George discusses growing up in Las Vegas and the changes in the city. She then talks about her husband, David George, and his employment at the Nevada Test Site. George recalls David's transportation to and from the test site, how the two would communicate when David was working, and concerns about exposure to radiation. Lastly, she discusses the change from aboveground testing to underground testing. |

Preferred Citation

Donna George oral history interview, 2012 May 14. OH-00671. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2015. Miguel Dominguez wrote the collection description. Access copies were created for born-digital audio and/or transcript files. The audio has been minimally reviewed and all readily available information has been included in the description.
