Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Rojas, Joseph A., 1933-2009
Contributor:	Ralph Roske Oral History Project on Early Las Vegas
Title:	Dr. Joseph Rojas oral history interview
ID:	OH-01588
Date:	1980 February 25
Physical Description:	1 Digital Files (0.052 GB) MP3
Language of the Material:	English
Abstract:	Oral history interview with Dr. Joseph Rojas conducted by Suzanne Lubritz on February 25, 1980 for the Ralph Roske Oral History Project on Early Las Vegas. In this interview, Rojas describes his career as a gynecologist in Las Vegas, Nevada after being stationed at Nellis Air Force Base as chief of OBGYN during his time enlisted in the U.S. Air Force. Rojas also discusses how health care and medicine has evolved in Las Vegas, and Nevada as a whole.

Preferred Citation

Dr. Joseph Rojas oral history interview, 1980 February 25. OH-01588. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

University of Nevada, Las Vegas History Professor Ralph Roske donated materials for this oral history project to UNLV Libraries Special Collections and Archives in the 1980s.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2017. Kyle Gagnon wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use. The audio has been minimally reviewed and all readily available information has been included in the description.
