## Administrative Information

---

### Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

### Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

### Acquisition Note

This interview was conducted and transcribed by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

### Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2016 and 2017. Miguel Dominguez wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use. Access copies were created for born-digital audio and/or transcript files. The audio has been minimally reviewed and all readily available information has been included in the description.
