Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Snyder, Joy
Contributor:	Heart to Heart Oral History Project
Title:	Joy Snyder oral history interview
ID:	OH-01729
Date:	2008 December 17
Physical Description:	19 Digital Files (0.112 GB) PDF/A, MP3
Language of the Material:	English
Abstract:	Oral history interview with Joy Snyder conducted by Lisa Gioia-Acres on December 17, 2008 for the Heart to Heart Oral History Project. Snyder comments on many aspects of her career, including the informal approach to health care, the effects of desert climate on mothers and newborns, and the changes she has seen at Sunrise Hospital. She also comments on adoption practices in Las Vegas, Nevada; drug-addicted babies, and cultural attitudes that appear during the birthing process.

Preferred Citation

Joy Snyder oral history interview, 2008 December 17. OH-01729. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted and transcribed by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2017 and 2018. Miguel Dominguez wrote the collection description. Access copies were created for born-digital audio and/or transcript files.

Bound Transcript Availability

A bound transcript is available for use in UNLV Libraries Special Collections and Archives. See call number: R154.S65 A3 2009
