Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Stanley, Richard L.
Contributor:	Ralph Roske Oral History Project on Early Las Vegas
Title:	Richard L. Stanley oral history interview
ID:	OH-01756
Date:	1975 March 13
Physical Description:	1 Digital Files (0.021 GB) MP3
Language of the Material:	English
Abstract:	Oral history interview with Richard L. Stanley conducted by Duane Reid on March 13, 1975 for the Ralph Roske Oral History Project on Early Las Vegas. Stanley begins by discussing moving to Henderson, Nevada in 1945 while enlisted in the United States Navy, moving to Las Vegas, Nevada, and his history in law enforcement. Stanley talks about nuclear weapons tests, overall changes in Las Vegas, and the Old Mormon Fort. He concludes by describing the history of Nellis Air Force Base and McCarran International Airport.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

University of Nevada, Las Vegas History Professor Ralph Roske donated materials for this oral history project to UNLV Libraries Special Collections and Archives in the 1980s.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2017. Kyle Gagnon wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use. The audio has been minimally reviewed and all readily available information has been included in the description.
