Summary Information

Repository:	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
Creator:	Tate, George G. (George Gerald), 1931-
Contributor:	UNLV University Libraries Oral History Collection
Title:	George Tate oral history interview
ID:	OH-01803
Date:	2002 September 24
Physical Description:	4 Digital Files (0.182 GB) MP3
Language of the Material:	English
Abstract:	Oral history interview with George Tate conducted by Randi Levine and June Brown on September 24, 2002 as part of the UNLV University Libraries Oral History Collection. In this interview, Tate discusses his personal history, his occupation as an architect, and his experience in the United States Army Corps of Engineers. He explains why ground water was an issue for building infrastructure in Las Vegas, Nevada. Lastly, Tate discusses the changes in the professional architectural community, the increase of women in the architectural field, and the competitive aspect of being an architect.

Preferred Citation

George Tate oral history interview, 2002 September 24. OH-01803. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked. No release form is on file for this interview. The interview is accessible onsite only, and researchers must seek permission from the interviewee or heirs for quotation, reproduction, or publication. Please contact special.collections@unlv.edu for further information.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2018 and 2019. Miguel Dominguez wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use. The audio has been minimally reviewed and all readily available information has been included in the description.
