<b>Abstract:</b>	Oral history interview with David L. Weide conducted by Claytee D. White on May 31, 2007 for the Boyer Early Las Vegas Oral History Project. In this interview, Weide discusses his career as a geologist, teaching geology at the University of Nevada, Las Vegas, and the history of the University of Las Vegas, Nevada. Weide begins by explaining the history behind the name "Blue Diamond Village," how he came to study geology at the University of California, Los Angeles, and the employment process at UNLV. He describes the geological history of Nevada, hosting his own folk music program on the local radio station, KNPR, and his opinions on UNLV's intention to become a "Research One" institution.
