| Abstract: | Oral history interviews with Hermi and John Hiatt conducted by Jeff van Ee on April 02, 2010, April 03, 2010, and April 25, 2010 as part of the UNLV University Libraries Oral History Collection. In these interviews, Hermi and John Hiatt discuss their involvement in shaping the Red Rock Audubon Society, cataloging native plants, and the national Christmas Bird Count event. They later describe mapping around Southern Nevada, establishing boundaries for the sale of public lands, and the groundwater system under the Las Vegas, Nevada valley. |

Preferred Citation

Hermi and John Hiatt oral history interviews, 2010 April 02, April 03, 2010, April 25, 2010. OH-02104. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2015 and 2019. Miguel Dominguez wrote the collection description. Access copies were created for born-digital audio and/or transcript files. The audio has been minimally reviewed and all readily available information has been included in the description.
