| Abstract: | Oral history interview with Virginia Valentine conducted by Stefani Evans and Claytee D. White on July 25, 2016 for the Building Las Vegas Oral History Project. In this interview, Valentine discusses her early life in Florida. She recalls her move to Las Vegas, Nevada in 1981, working in a wastewater treatment plant, and becoming Chief Engineer and General Manager of the Clark County Regional Flood Control District. Valentine then talks about attending the University of Nevada, Las Vegas (UNLV), obtaining a master's degree in public administration, and her involvement with flash flood management in southern Nevada. Lastly, Valentine describes becoming a registered professional engineer (PE) and her work with the Nevada Resort Association (NRA). |

Administrative Information

Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

This interview was conducted by the Oral History Research Center (OHRC) which is part of the UNLV University Libraries Special Collections and Archives Division.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2016 and 2017. Miguel Dominguez wrote the collection description. Access copies were created for born-digital audio and/or transcript files. The audio has been minimally reviewed and all readily available information has been included in the description.
