Access Note

Collection is open for research. Where use copies do not exist, production of use copies is required before access will be granted; this may delay research requests. Advanced notice is required.

Publication Rights

Materials in this collection may be protected by copyrights and other rights. See Reproductions and Use on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

Acquisition Note

The recorded interview and transcript have been made possible through the generosity of the UNLV University Libraries Advisory Board. In 2016, the Center for Gaming Research undertook a series of interviews with slot managers in order to capture the complexity and history of this position. This interview is part of that series.

Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2016 and 2017. Nia Banks wrote the collection description. This interview was transcribed by Special Collections & Archives Technical Services in 2017. Access copies were created for born-digital audio and/or transcript files.
